**Von V.C. Andrews : Brooke (Orphans Book 3) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Brooke (Orphans Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Familiar re-hash yet somehow addictiveVon KsuzyBut of course, that could describe all of Andrew Neiderman's writing's

under the V.C. Andrews name. This book was very similar to Dark Angel, the second book in the Heaven series, in that the female adult figure was worried about her age and her beauty and the male adult figure worried about his business and showing off his house. This book also sounds like all the other Orphan series books in that it starts out with the girl going to a really fabulous house and being disbelieving, and then ends with the girl having to leave due to tragic circumstances. Is it getting old yet? Yes. Thank goddess there's only one more! And, yes, I'll probably read it anyway. The characterization in these novels is getting a little better, but still needs work. I guess I'm waiting around for the fine-tuning to be perfected and the originality to take over. Has anyone thought about whose point of view Runaways is going to be told from? If all the books are first person, and all fo! ur girls get their own prequel, is Runaways going to break the pattern and be third person or are we going to have to be satisfied with only one of the girls' perspectives? Guess it won't be long before we find out.0 von 0 Kunden fanden die folgende Rezension hilfreich. 3 Stars...only Von Ein KundeI give all V.C Andrews book a 5 star rating. Especially the Flowers in the Attic and The Runaways series. But this book was a load of guff. Pamela is overdone so take her outta the oven already! Peter was okay and so was Brooke but the whole book was only 3 stars because it had no twists, no Ms Andrews sudden turns for the worst! Like in Crystal when her foster parents died. Or Flowers in the Attic where the father suddenly dies on the night of his Birthday! No but Brooke just suddenly leaves. She just suddenly disappears from Pamela and Peter. Her character is Runaways is much better as she talks about her 'sisters' from her point of view. She suddenly changes from a person ungrateful to her foster parents (which I don't blame because of the turkey called Pamela) and into a woman who drives a car and is always blunt and to the point. Everyone seems to be out of character. I'm sorry but this book deserves ONLY 3 STARS!0 von 0 Kunden fanden die folgende Rezension hilfreich. Exceptional!!!!!!!!!!!!!!!!!!!!!! Von Ein KundeThe Orphan series is nothing like Fear Street stories at all. As a reader of both the above mentioned series I can assure you there is not even a trace of Stine in these Orphan series. I like it that way to because if I wanted to read Stine Then I would buy Stine. Brooke, is a wonderfully written story. I can't wait to continue on with this series which is totally unlike any Fear Street book I have ever read. So read this book if you want a nice intresting story to read. It is a little similar to the first book Butterfly but they were both good so don't mess with success right! Besides Brooke was much more head strong than Butterfly so eventhough there circumstances were similar there seperate personalities caused different outcomes in the stories. So in conclusion read Brooke and enjoy it!

KurzbeschreibungAll she wanted was a mother's warm embrace....Brooke was an orphan, abandoned long ago by a mother she barely knew. And though her new family seemed to offer the promise of a new beginning, a dark voice in her heart told her that she was now more alone than ever...KurzbeschreibungAll she wanted was a mother's warm embrace....Brooke was an orphan, abandoned long ago by a mother she barely knew. And though her new family seemed to offer the promise of a new beginning, a dark voice in her heart told her that she was now more alone than ever...Synopsis Brooke was an orphan, abandoned long ago. In her dreams, her mother would collect her from the orphanage. She never imagined a couple who looked like movie stars whisking her away to be their daughter. But a dark voice in her heart told her that she was now more alone then ever.
