Triumph! Von customer The perfect companion for all Roman military history enthusiasts is the ROMA VICTRIX WINE BEAKER Roma Victrix Wein Becher Brothers in blood (Eagle 13) carries on from the blood Crows with our stalwart protagonists Macro and Cato once again on the trail of the tenacious Briton Caratacus and the tribes of the Ordovices and Silures of North and south Wales. Simon Scarrow certainly knows how to write a fast paced intriguing plot, laced with visceral gritty bloody combats and battles, interwoven with in-depth historical detail. I for one find this latest offering, if somewhat predictable, still a thoroughly good yarn, the author has an innate sense for the period and is also a master of characterization, so much so that after reading all thirteen sequels to date I feel a definite bond with the characters Macro and Cato, more so with Macro. Having served in the Para brigade for many years, I can attest to Simon's grasp of the camaraderie that exists between men who have faced danger in battle and the earthy wit that abounds even in times of great hardship and peril. Bearing in mind the no spoilers rule, it is only left for me to say that long may the Eagle series continue. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Gute Fortsetzung ohne groe Hhepunkte Von Christian Baumann Wieder ein gelungenes Werk. Allerdings meiner Ansicht nur fr Fans von Macro und Cato. Die Handlung schliesst direkt an das letzte Buch an und stellt das nchste in Aussicht. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Zurck zu den Anfngen (halbwegs) Von Jonas Mueller wie immer ein sehr gutes Scarrow Buch. Fr alle denen besonders die ersten Bcher gefallen haben, ist dies ein sehr guter Kauf. Dennoch ist es nicht eine von Scarrows Bestleistungen :(
