KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Klasse LesespaVon BcherliebeSamantha ist auf der Flucht. In einem kleinen Dorf mitten in der Pampa taucht sie unter und fngt als Kellnerin in der dort einzigen Bar an. Dort wird sie von einem unheimlichen Mann beugt, vor dem die

Einwohner Angst haben, weil er hin und wieder blutverschmiert durch die Straßen luft. Was haben sie zu verbergen und was verbindet sie miteinander? Die Dialoge der beiden am Anfang sind sehr scharfsinnig und witzig. Die Autorin versteht es wirklich, Emotionen zu transportieren, wenn auch mit deftiger Wortwahl. Denn das F...-Wort kommt dabei im epischen Ausmaß zum Einsatz. Bis zur Mitte des Buches habe ich gedacht, ich würde 5 Sterne vergeben, dann ist die Spannung leider etwas abgesunken. Aber trotzdem ist es ein sehr interessanter, gut gemachter Plot und würdiger Lesespaß.

Kurzbeschreibung A deadly game of hide and seek. With blood still on her hands, Samantha Matthews is on the run, running from dark secrets and a man she prays to God will never find her. Running and hiding, just to stay alive. She had no choice but to run, to leave, to hide and forget about her life before. When Samantha believes she's gained enough distance from her past and her demons, she stops running, hoping to find her future in the heavily wooded area of the Adirondack Mountains, a place she never expected to encounter a man with secrets as dark and as sordid as hers. Kade Grayson is hiding, not from the demons after him, but from himself and from the entire outside world, wishing every day he could have just died. Arrogant and domineering, he's tormented and terrorized by his past, seeing nothing good for his future. With the ghosts of his past still haunting him, he has exiled himself to a life of solitude, only living for his words and through his stories. Until her. An undeniable attraction, turns into hate and then ultimately obsession, an obsession that grows into a powerful story of love and redemption. Will the bond they have begun to build between them grow stronger than the tragedies that have scarred both of their lives? Or will they allow their demons to consume them? This book is a full length Adult Contemporary Romance and is intended for mature audiences due to strong language and sexual content.
