HerrlichVon simone hEs dauerte etwas, bis ich mit dem Sdstaaten-Jargon zurecht kam, aber dann gabs kein halten mehr... Die Story finde ich sehr intelligent, alles luft so typisch sdstaatenmig ab, einfach herrlich!1 von 1 Kunden fanden die folgende Rezension hilfreich. Good oneVon E., KilianIt's fun to read, although it starts a little bit confusing and you have to get used to the texan accent in the beginning. But believe me, it pays off in the end and you won't be able to put it aside :)0 von 1 Kunden fanden die folgende Rezension hilfreich. HilariousVon DeedaYou get used to the

Texan slang quickly and then there is no putting down until finished with a lot of giggles along the way about Bubba's entanglements with dead bodies and beautiful women.

Kurzbeschreibung Bubba Snoddy is a good old country boy with a big problem. Although hes personable, handsome, and lives in a historical Southern mansion in a small Texas town, he has just discovered the dead body of a woman to whom he was once engaged to marry. His ex-fiance was responsible for Bubba being thrown out of the military which in turn caused his shameful return to the tiny town of Pegramville, where everyone is a consummate gossip and no one has any secrets. Sheriff John Headrick believes Bubba killed his ex-fiance in a fit of vengeful rage. The townsfolk believe that Bubba killed his ex-fiance in a fit of vengeful rage. Bubbas own mother believes that Bubba killed his ex-fiance in a fit of vengeful rage. To top it all off, there are some mighty strange goings-on at the Snoddy Mansion, where ghosts walk the halls rattling chains in the midnight hour, and Bubbas own sainted mother, Miz Demetrice, runs an illegal gambling ring. Rumors run merrily rampant about Bubba, decadent Snoddy ancestors, missing Civil War gold, a to-die-for sheriffs deputy with the greenest eyes Bubbas ever seen, and a Basset Hound named Precious who likes to nip first and ask questions later. Bubba has to find out exactly who did murder his ex-fiance and quickly before he goes to jail for the crime, or before someone murders him. Book one in the Bubba series. This novel has been revised for errors. I don't guarantee that there aren't any in it, but there's a whole lot less now.
