Von Joe R. Lansdale : Bubba Ho-Tep (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bubba Ho-Tep (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. +the original story and the screenplay to the movie in one+Von Hubert ZistlerI became obsesses with this movie when I heard Bruce Campbell speak at his book signing. It introduced me to the world of the Mojo story-telling of Joe R. Lansdale. I rushed out and ordered Writers Of The Purple Rage which included Bubba Ho-Tep. This volume not only

includes the original story but also the screenplay to the movie. It is amazing how faithful Don Coscarelli has kept the script to the original. As an added bonus there is an introduction by Lansdale and Coscarelli plus their autograph to this limited 970 editions.

KurzbeschreibungAn elderly, incontinent Elvis Aaron Presley teams up with an deeply incognito John Fitzgerald Kennedy to defend their East Texas nursing home from an ancient Egyptian soul-sucking mummy. This is the short story that became the cult classic major motion picture, inspiring a generation of care-givers, archaeologists, and public servants. TCB.
