While searching for the owner of the pub to complete his delivery he comes face-to-face with sassy Kelly whose scent leaves him confused with unfamiliar desires. Kelly the youngest of the Callahans finds Pran intriguing and quite handsome, and can't help but think what it would be like to be with him. Danger lurks in the shadows waiting for the bar to close.....FANTASTIC fast paced well written holiday read by a truly gifted author. The author does not disappoint in giving readers a story that gets you hooked from start to finish. Pran makes a most valiant hero and Kelly is a lovable character. I so enjoyed this story, and adore all the Frost brothers, a most gratifying read. If you treasure shifter romance this is a terrific book for your library. {I was gifted this book, and this is my completely honest review}. In the world of shifter romance the possibilities are endless and always fascinating. Without reservation I recommend this book.
