MUST READ-CAPTIVATING STEAMY ROMANCEVon midniteinkBUCK ME FOR VALENTINE'S {FROST BROTHERS' BRIDES}-A CAPTIVATING ROMANTIC STORY.This story features; CUPID FROST, a heart-stirring charismatic stag-shifter; ZARIA SWANN, a sassy, gray-eyed human beauty.What you'll find in this story; remarkably impressive and engaging characters, fantastic story-line, picturesque and powerful scene descriptions, superb banter, heart-rending moments, emotions spiral, pent-up rage, gripping suspense, action, toe-curling heart-pounding sensual romance, and a heart-warming conclusion that makes you smile and wanting more.Cupid has loathed Valentine's Day for years, and since it is only a few days away it has put him in a foul mood. Cupid and his brother Pran have a two week vacation from flying the Big Red Seven. They are visiting the city of New York, and Pran has a speed-dating evening planned for them which is sponsored by Sassy Date, hoping this puts Cupid in a better frame of mind. Zaria's ex has been stalking her leaving her upset, so her friend Brittany decided the speed-dating event might help. When the two meet sparks fly, and their lives are forever changed....WOW/FANTASTIC-fast paced well written creative read by a truly gifted author. The characters are convincing and spring to life with vivid scene descriptions, fabulous plot, and fantastic dialogue. The romance is filled with fiery passion. If you treasure shifter romance this is certainly a terrific book for your library. {I received this book as a gift and this is my honest review}. In the word of shifter romance the possibilities are endless and always fascinating. Without reservations I recommend this book.

KurzbeschreibungThis Valentine's Day, everything's going to get bucked up...This is a standalone novella with a pinch of holiday whimsy. You've been warned. This is staggering.Zaria Swann hates Valentine's Day. There's no way around it, the whole damn day is cursed. Nothing good ever happens around Valentine's and with the recent break-up from her boyfriend in the not-so-distant past, the curvy black woman is convinced that this year everything's going to be the same. Only the hijinks of a dear friend could... make it even worse! Having met a dashing man at a speed-dating event Zaria had no intent of going to, Zaria once again finds herself struck with the curse of Valentine's Day when he never contacts her. This time, thought, maybe there's a way out?Cupid Frost is a workaholic set loose on Valentine's Day, the one time of the year that he despises more than anything. For a stag shifter with a birthday on the date, one would think he'd get along better with the holiday of hearts and love, but that's the furthest thing from the truth. Dragged along by his brother, kicking and snorting, Cupid finds himself staring at the most beautiful woman in the world. Suddenly falling in love and finding his mate was certainly not what Cupid had planned for the most dreadful weekend of the year...With a crazy ex on the loose and fate seeming to screw them at every turn, can Cupid and Zaria find their way together, or is the curse of Valentine's Day a real thing for these two?Frost Brothers' Brides is a series of BBW Paranormal Were-reindeer Shapeshifter Holiday Romance novellas following a very special set of buck brothers. The nine brothers will each get their stories told during the holidays! The books can and should be read as standalones and have a guaranteed HEA!KurzbeschreibungThis Valentine's Day, everything's going to get bucked up...This is a standalone novella with a pinch of holiday whimsy.
