stands for an unique stile and good quality Von Catharina I always enjoy diving in the world of crime Camilla Lckberg creates around Fjllbacka and the interesting individuals that make her stories so special and lively. It is never easy to find out the end, the reasons behind. Her books are always well written, rich with pictures, in a pure and simple style. Best of all is how she is able to draw the characters and to write from different views. I simple love to read what she writes.
