Erotisches Lesevergnügen Von Lena Ribka Das war eine der heißesten Erotik, die ich bis jetzt gelesen habe. Die Sexszenen sind so visuell und gut geschrieben, dass ich mich vom Buch nicht trennen konnte! Einen Stern ziehe ich trotzdem ab, weil ich den Wechsel der Hauptfiguren nicht ganz verstanden habe- am Anfang sind das Aleesha und Marcus und ab der Mitte des Buchs sind das plötzlich Jerra und Darryl. Sie beide sind auch sehr nett und Chemie zwischen den beiden stimmt auch, aber dieser Wechsel hat mich etwas irritiert. Trotzdem sehr erotisches Lesevergnügen. Ich habe es genossen!

Kurzbeschreibung Las Vegas. Sin City. What happens in Vegas stays in Vegas Or does it? When you, by chance, meet that person who you think just might be the one, do you listen to your head and play it safe - or open up your heart and hold on tight for the ride of a lifetime...? Three years ago, Aleesha met Dr. Marcus Bennett at a conference in Las Vegas. The brief hours they spent together were positively scorching - and the man had yet to kiss her! Due to circumstances beyond their control, they never got the opportunity to explore the attraction simmering like a low burning flame waiting to be ignited. When Marcus doesn't show up for what is sure to be the best night of Aleesha's life, she chalks it up to a lesson learned and goes back to Atlanta a couple of days later. She never hears from or sees him again Until her two best friends, Jerra and Keisha, fly her to Vegas for a fun filled weekend to celebrate her impending marriage to the man of her dreams, ex-football pro, Amir Montgomery. Out of two million people residing in the city, who does Aleesha bump into the first night at one of the most popular clubs in Vegas? Marcus Bennett! And he's even more attractive than she remembers. Embarrassed by her inebriated actions, this time she is the one bails out on him. Resolving to put this man out of her mind once and for all, nothing can prepare Aleesha when their paths

cross yet again the next evening. She finally has to ask herself if seeing him again is just a coincidence - or fate. Aleesha isn't the only one who's tempted in the city of sin. Jerra tries in vain to resist Marcus' arrogant stripper friend, Eclipse. The man's sex appeal is ridiculous and his swagger irresistible - and he knows it! Normally the level-headed one, Jerra throws caution to the wind and gives in to the most basic of desires only to learn the meaning of the phrase "if you play with fire, be prepared to get burned". After the women get home, they move full speed ahead with Aleesha's wedding plans. However, they discover the sexy men of Sin City are not so prone to let the weekend happenings stay in Vegas. Oh yes. Things are definitely about to heat up in the Atl!
