My Favorite ParetskyVon Ein KundeVic must reluctantly rescue her Aunt Elena, a notorious drunkard, con woman and flirt. While she is disgusted at Elena's antics, she is discerning enough to know that she shares some of Elena's

character flaws. As usual, Vic's good heartedness leads her into a murky world of dishonest politicians, traitorous cops and disgruntled bankers. As usual, she can rely on none but herself to solve the mystery and right the wrongs of the system. As usual, Peppy, Mr. Contreras (Sal) and Lottie are ever watchful and protective of their friend. As usual, this book is filled with interesting characters, locations, events and probing character analyses. If you like your protagonists intelligent, resourceful, wisecracking yet wearing the perfect set of Magli pumps, this heroine is for you.3 von 3 Kunden fanden die folgende Rezension hilfreich. Great Stuff!!! Von bettina.vollert@bertelsmann.de One of Paretsky's greatest Books ever. Private Eye V.I. Warshawski gets in trouble in helping her old aunt, who is addicted to alcohol and got thrown out of her apartment. Watching V.I. stumbling through the world of crime, government politics and lovely neighbourhood, listening to her sarcastical comments and sharing her decisions concerning her wardrobe is once again great fun and everybody who has read any of the other Paretsky books will love this one. It definitely is my personal favourite of all V.I.-Adventures! 2 von 2 Kunden fanden die folgende Rezension hilfreich. Unglaublich spannend Von Cavalier Wie alle V.I. Warshawski-Krimis von Sara Paretsky ist auch dieses Buch nicht nur spannend sondern beschreibt auch sozialkritisch die Situation im wirtschaftlich schwierigen Chicago. Das Buch ist lteren Datums, hat aber nichts von seiner Brisanz verloren.

Kurzbeschreibung The sixth novel in the V.I. Warshawski crime series, set in Chicago, from prize-winning author Sara Paretsky. V.I. Warshawski receives an unwelcome shock when her aunt Elena arrives on her doorstep in the middle of the night, having fled from her burning hotel. But things go from bad to worse when Elena mysteriously vanishes and the corpse of her aunt's friend is discovered at a construction site. As V.I.'s investigation plunges her deep into the workings of the construction industry and county politics, she finds herself part of a dangerous game of corruption where her life is the prize. Someone's out to silence her, and they won't stop until they do . . . **Pressestimmen** The story is as active as any Marlowe ever encountered: sluggings, murders attempted, murders achieved, a very scary pursuit by night in a derelict building. Warshawski survives, narrowly, to tell the story in a sharp-tongued, sardonic first person ... She is also wonderful company and a rich discovery awaiting those who have yet to meet her. The Los Angeles Times Book With the creation of V.I. Warshawski, Sara Paretsky did more than anyone to change the face of contemporary women's fiction. Express on Sunday It's hard not to get caught up in her passion ... Snappy dialogue, tight plotting and realistic situations make Paretsky's unapologetically politicised thrillers a pleasure to read, whatever your viewpoint. Daily Mail The thing about Sara Paretsky is, she's tough ... she doesn't flinch from examining old social injustices others might find too shameful (and too painful) to dig up New York Times Some crime series grow stale over time, but there's no sign of fatigue here. This is partly because the recurring characters continue to develop and engage the reader, and partly because of the moral intelligence that informs the writing. Spectator Paretsky has been putting her private investigator through her paces since 1982, changing perceptions of women in crime fiction through the creation of a fiercely independent female detective. She keeps her brand of politicised noir fresh by responding to issues - social, cultural and political as well as gender - in contemporary life ... Paretsky is firing on all cylinders Metro **Kurzbeschreibung** The sixth novel in the V.I. Warshawski crime series, set in Chicago, from prize-winning author Sara Paretsky. V.I.
