**Von Marcia Muller : Burn Out (A Sharon McCone Mystery Book 26) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Burn Out (A Sharon McCone Mystery Book 26) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich.

Interessante Weiterentwicklung Von Ute Lantelme Als langjähriger Fan von Sharon freue ich mich natürlich bei jedem neuen Band. Die englischen Rezensionen klangen vielversprechend, insbesondere in Bezug auf die Weiterentwicklung der Protagonistin hinsichtlich ihrer indianischen Wurzeln. Mir hat die Geschichte sehr gut gefallen. Ohne die vorherige Lektüre der Rezensionen wäre ich wohl auch bei mehr Sternen gelandet. So war ich enttäuscht von der doch rudimentären Auseinandersetzung mit dem Herkunftsthema. Abgesehen davon ist es eine spannende Geschichte mit vielen interessanten Aspekten, neuen Facetten vertrauter Personen und kritischer Hinterfragung von "Gutmenschentum". Der Burn out von Sharon ist spürbar und atmosphärisch gut geschildert. Einmal angefangen, geht es in einem Rutsch durch's Buch. Ein must have für alle alten und neuen Fans. 4 von 5 Kunden fanden die folgende Rezension hilfreich. Marcia Muller Simplifies Her Story-Telling Task and Unleashes a Raft of New Characters in This Busman's Holiday Von Donald Mitchell "Out of his mouth go burning torches: Sparks of fire leap forth." -- Job 41:19 Burn Out opens with Sharon McCone at a low ebb, feeling overwhelmed by the dangers that threatened Hy and she in The Ever-Running Man. She withdraws to Hy's ranch in the Sierra Nevada's to get her head together. While there, new challenges, including a supposedly friendly horse who isn't always, a young woman with a haunted look on her face, and more corpses than you can shake a stick at, refocus Sharon's energies on finding the murderer and the missing girl. Along the way, she encounters some pretty evil and corrupt people and her own demons. Strangely, the case revives her in a way that she doesn't expect. In the process, she comes to terms with her future. One of my complaints about this series has been that Marcia Muller has introduced so many continuing characters that it's hard to fit them all into a story. When I saw that Sharon McCone wasn't going to interact much with her detective agency, I just assumed that would cut down the number of characters. Wrong! Marcia Muller worked in all the usual characters and added a raft of new characters that appear just to make this story work. It's a virtuoso performance that few other than Marcia Muller could pull off with such aplomb. As a result, Burn Out provides an entertaining police procedural, a great character study, lots of interesting issues about confidentiality and responsibility, and plenty of adventure. It's a fine ride and I'm sure you'll enjoy it! Giddy up! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Burn Out Von Rosmarie Prinz Ein modernes Thema gut abgehandelt und spannend in einem Krimi verarbeitet. Eine Empfehlung für alle, die die Kombination Krimi und moderner Alltag mögen.

Kurzbeschreibung Traumatized by a recent life-or-death investigation, Sharon McCone flees to her ranch in California's high desert country to contemplate her future. Deep depression shadows her days and nights, and a chance encounter with a troubled, highly secretive Native American woman begins to haunt her dreams. Even though she is determined not to investigate anything during her stay--and perhaps not ever again--McCone is drawn into the plight of the young woman and her dysfunctional family. A murder and traces of violence at a deserted resort lead her across the desert and into Nevada, and finally to a remote and isolated ranch, where danger lies closer than she expects and where her future and life itself may hang in the balance. Pressestimmen Praise for Marcia Muller and BURN OUT: "Muller undoubtedly remains one of today's best mystery writers." Associated Press "Muller's series launched the modern hard-boiled female detective, and it has been setting a gold standard...for more than 30 years." Booklist (starred review) Kurzbeschreibung Traumatized by a recent life-or-death investigation, Sharon McCone flees to her ranch in California's high desert country to contemplate her future.
