Some questions left unanswered, but a great shifter story with great charactersVon Hoener, BirgitBrilliant! Great plot, great characters, with believable flaws and strengths, great storytelling. It might have gained from being a bit longer, for example, giving a bit more flashbacks about occurences of both Neve's and Johnny's childhoods (and thus some reasons why and how they have developed to what they are today). Also - the "price" to be paid: without wanting to

give spoilers, but was that the shadow? Personally, I think the ending was a bit rushed, like I said before - the story could have gained from being a bit longer and offering a bit more explanations, or playing out the relationships between our two protagonists a bit more. All in all though, a very and thoroughly enjoyable shifter story, and I will definitely try and get the other ones in this series. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Dragon Hotness Von Ingrid Stephanie Jordan Title: BURN THIS! Series: A 300 MOONS Destination: Book 2 Author: TASHA BLACK Reviewer: Ingrid Stephanie Jordan Genre: #Paranormal #Dragon Shifter My Score: 5 Series: 10 This is why I say Ms. Black has the Golden Touch, yep she did it again. This is the second book of A 300 Moons Series I love it. If you thought book one was good oh my gosh book 2 is phenomenal. Again the characters match perfectly for each other. I'm excited we're going back to Tarker's Hollow with a very special Mom/Kate Harkness of Harkness Farm. Johnny Lazarus is a Dragon Shifter but he keeps him caged never letting him out. Johnny became rich n famous with his band, the Somnambulance which made him very vain. Life was good or so he thought! Things were starting to happen he didn't feel right, then Mom called wanted him home at the farm because it was time for his 300 Moons. So with end of the tour, he packed up Little Ruby and left. Neve Whittaker, loved her job at Malibu Sanctuaries. Helping patients with their addictions was her true calling she excelled in it. Some people called her "The Angel of Malibu". There new patient walked in and she knew something was different but what? I was gifted this ARC for an honest and truthful review.
