BrandheiVon Cornelia WollersheimBurning Darkness ist der 4. Band der Offspring-Reihe. Hier geht es um Eric

Aruda und Fonda. Eric kann hllische Feuer nur durch seinen Willen entznden und Fonda kann kurz die Zeit einfrieren und ihren astralen Krper auf die "Reise" schicken. Sie hat Eric, weil er ihren Freund bei lebendigem Leib verbrannt hat. Sie sinnt auf Rache und will Eric in eine Falle locken. Die beiden sehen sich aber einem gemeinsamen furchtbarem Feind gegenber, der alle beide vernichten will.Sie verbnden sich gezwungener Maen um beide zu berleben. Aus dieser Zweckgemeinschaft entsteht Vertrauen, Zuneigung und dann Liebe. Der showdown ist Spannung pur.Ich freue mich schon auf den nchsten Band, wo es um Eric's Schwester Petra geht.0 von 0 Kunden fanden die folgende Rezension hilfreich. HammermigVon Ein KundeDurch eine Buchempfehlung von :-> wurde ich auf dieses Werk aufmerksam. Ich htte nicht gedacht, dass mich ein paranormales Buch so fesseln kann. Die Geschichte beschreibt Kinder von Eltern, die durch ein geheimes Programm zu menschlichen Waffen gemacht wurden und eine vernderte DNA an ihre "Offsprings" vererbt haben.Eric kann durch psychische Kraft Feuer produzieren und hypnotisch Dinge in der Ferne aufspren. Er ist in Gefahr von seiner angeblichen Feindin Fonda umgebracht zu werden, aber ein mchtigerer Gegner bindet die beiden zuerst aus reinem berlebenswillen zusammen und dann schieht Amor. Es kam, wie es kommen musste, die vorherigen Darkness-Bcher mussten her. *g* Supergut!

KurzbeschreibungFor readers of paranormal romance, romantic suspense, and newadult romance!"I'm hooked on Jaime Rush's exciting, sexy paranormal series!"--New York Times bestselling author Janet EvanovichThey live ordinary lives, but they are extraordinary. They are the Offspring, children of a mysterious experiment gone awry--and they are in terrible danger.A government-trained assassin, Fonda Raine has her sights locked on her latest target: Eric Aruda, one of the rogue Offspring--a pyrokenetic who can create fires with just a thought. But Fonda has awesome powers of her own--and her ability to astral project and be in two places at one time enables her to put herself exactly where she wants to be . . . in Eric's bed.Eric is stunned and pleased by the inexplicable appearance of the mysterious enchantress, unaware that Fonda plans to seduce him, throw him off his guard, and then eliminate him. But the game changes radically with the arrival of an assassin from hell with orders to destroy them both. And suddenly Fonda and Eric have only two choices: to join forces or go down in flames.Paranormal romance is hot--and no one's hotter than Jaime Rush! Her remarkable Offsprings series continues with Burning Darkness, another supremely sexy tale of intrigue and passion centered around a group of genetically altered "super heroes." Anyone drawn to the paranormal delights of TV's Heroes, Supernatural, and Torchwood, and fervent fans of the dark and sensuous brand of fantasy fiction that has made Jeaniene Frost and Vicki Pettersson New York Times bestsellers, will be mesmerized by Burning Darkness--the story of two sworn enemies drawn together by an irresistible attraction, and stalked by the same unstoppable assassin.
