KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Mit jeder Seite wird es spannender!Von LenaRibkaNach dem ersten Debut Roman von Lila Veen-GROARTIG!!- zhle ich mich zu ihren Fans.Deshalb habe ich mich richtig auf ihr zweites Buch gefreut. Allerdings habe ich etwas Zeit gebraucht, um in die Geschichte rein zu kommen. Es war mir von Anfang an etwas zu viel Harry Potter. Ich wei nicht ob es eventuell daran lag, dass ich etwas anderes erwartet habe oder dass die Story etwas zu unruhig fr meinen Geschmack war: Zu viele Charakteren, zu viele Informationen, zu viel von allem, und ich war, ehrlich zu sagen, fast zu kurz davor aufzugeben!Es wre ein fataler Fehler!! Mit jeder Seite wurde es spannender und interessanter!Am Ende

konnte ich fast nicht glauben, dass ich so ungeduldig sein konnte! Ich freue mich bereits auf die Fortsetzung und bleibe weiterhin ein begeisterter Fan von Lila Veen!

Kurzbeschreibung Book 1 in the Blackwater Series**Mature Content Warning** 17+ for language and sexual content I never intended to come back to Blackwater. Everything is the same. My mother is lost in her own world. My sister is wrapped up in her own perfect life, while mine is falling apart. My dad is long gone with no sign of coming back. But I have to get away from my husband, and it's the only place I have left to go. And then Ash Lavanne crashes into my world. Actually, I happen to crash into him, with my car. But something happens inside of me when I meet him. It changes everything I ever thought I knew about who I am. I'm a crafter, which is really just a fancy term for witch. I make things happen. Other crafters can do different things, but fire is my elemental, and so I can change things. It's too complicated to get into, and I can't even pretend to understand it, but I'm trying to learn. On top of trying to wrap my head around my newfound powers, I'm trying to understand how this whole catalyst thing works. Ash is my catalyst, the person who ignites my craft. Just when I think things are making sense, I find out there's someone else who ignites me. Think things can't get any more complicated? Well, they can. It's Ash's brother Theo.
