KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Wonderful. It gets better and better!Von Lazy LiteratureJade Lee is a genius!She writes about this sect of the White Tigress (books available from Hsi Lai) where the women are Tigresses and the men Dragons.In this fourth book of the

series the hero is Ken Jin, the First Boy of the Wicks family. Charlotte Wicks is the rock in her family. She cares for her brother, while her father is out with his mistresses and her mother devotes her life to God. All in all she leads a rather uneventful life. So she is fascinated when she discovers scrolls with very graphic pictures of men and women that were hidden in the room of her best friend Joanna Crane (look for her story in book two *Hungry Tigress*). Ken Jin, student of the Sect, wants to get the scrolls back for his teacher Shi Po (look for her story in book three: *Desperate Tigress*) and so the two clash. Ken Jin and Charlotte are great. Their personalities are described wonderfully and I simply can't wait for the next novel in this series: *Cornered Tigress*.

Kurzbeschreibung A Chinese man's only hope of survival is to lure a western woman into his way of life. But the white woman he chooses wants more than bedsport. She doesn't see the dangers or that her seducer is the only one who can keep her safe. In Jade Lee's award-winning *Tigress* series, western women discover that sex is not simply for pleasure, but for religious ecstasy. The question is, who will come out on top: the Western Tigress or the Chinese Dragon? And is the sensual realm they discover true love? REVIEWS: "An exotic story of... visiting Heaven during oneness." ~ Romance Today THE WAY OF THE TIGRESS, in series order *White Tigress* *Hungry Tigress* *Desperate Tigress* *Burning Tigress* *Cornered Tigress* *Tempted Tigress* MEET THE AUTHOR: Jade Lee, a USA Today bestseller, has two passions (well, except for her family, but that's a given). She loves dreaming up stories and playing racquetball, not always in that order. When her pro-racquetball career ended with a pair of very bad knees, she turned her attention to writing. An author of more than 30 romance novels, she's decided that life can be full of joy without ever getting up from her chair. From Booklist Living in Shanghai has proved one thing to Englishwoman Charlotte Hicks: she wants more from life than an Englishwoman normally receives. When she finds a set of erotic scrolls left behind by her friend, she decides to begin with learning what those scrolls depict. Serving as First Boy in an English household has also proved to Ken Jin that he needs more from life, but when he learns that Miss Charlotte had found sacred *Tigress* scrolls, his first mission is to wrest them from her possession and return them to their rightful place. Stubborn as ever, Miss Charlotte refuses, unless he agrees to teach her what the scrolls truly mean. The latest in Lee's *Tigress* series, following *Hungry Tigress* and *Desperate Tigress* (both 2005), offers a more humorous tone, but have no fear: Lee's deft eroticism hasn't lost any of its power. With her latest variant on the *Tigress* practice, Lee's star continues to burn bright. Nina Davis Copyright American Library Association.
