Von Silvia Violet : Burning Up (Fitting In Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Burning Up (Fitting In Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. 3 1/2 Hearts from MM Good Book ReviewsVon Pixie Mmgoodbookreviews3 1/2 Hearts reviewed by Gigilf youre in to hot firefighters, fresh out of their gear, hot sweaty and in groups of threeyoure in luck! Matt, Toby and Bryce make a good trifecta, a bratty bottom, a switch with the need for domination, and a big burly bear with the need for control, and love.Not as much drama as earlier Fitting In books, a little less fight, less angst, more sexy love. Though sometimes

the hot steamy sexy scenes can be a bit rushed. Burning up came from a different POV than the others, here we got to read into Bryce's mind, and felt the way Toby and Matt pursued him, relentless, and shamelessly into having a fling with them. That quickly built to repeat performances even against Bryce's better judgment. He was the boss at work after all, he knew better than to have the three of them romantically involved and running into a burning building together, let alone knowing for so long that Toby and Matt were an item and working the same firehouse together. He needs to be responsible, and he needs to force them all to make some big decisions. The drama comes when that moment arrives, Bryce lays down the law with a bit of hurt feelings and words he doesn't really mean, or does he? You'll have to read on to see how these big hunky firemen resolve their dilemma, or if. Not a very deep read, not much drama, significantly lighter fare than the previous two, but still a fun, arousing and sexy-fun-times book nonetheless.

Kurzbeschreibung Book 3 in the Fitting In Series Previous Book: *Sorting Out* Next Book: *Going Deep* Bryce has been a firefighter for ten years, but when a horrific house fire leaves him reeling, he moves to a new city, hoping to shove those memories behind him. As he adjusts to his new station, Bryce keeps to himself until Matt and Toby, two hot young men in his unit, throw temptation in his path. Bryce knows better than to mess around with men he works with, especially two newbies who are in the closet. But after a difficult day, Matt and Toby offer him compassion and friendship, which slips so easily into sex Bryce finds the combination irresistible. Matt and Toby want to expand their relationship to include a third, and they've set their sights on their sexy bear of a lieutenant. Their first night together is a scorcher, and, more than that, it feels right, to all of them. But since Bryce refuses to hide who he is, and dating men on his shift is against the rules, all three men are going to have to make some tough choices if they want to stay together.

ber den Autor und weitere Mitwirkende Silvia Violet writes erotic romance in a variety of genres including paranormal, contemporary, sci fi, and historical. She can be found haunting coffee shops looking for the darkest, strongest cup of coffee she can find. Once equipped with the needed fuel, she can happily sit for hours pounding away at her laptop. Silvia typically leaves home disguised as a suburban stay-at-home-mom, and other coffee shop patrons tend to ask her hilarious questions like "Do you write children's books?" She loves watching the looks on their faces when they learn what she's actually up to. When not writing, Silvia enjoys baking sinfully delicious treats, exploring new styles of cooking, and reading to her incorrigible offspring.
