BUSINESS was a really interesting sexy start to a new series - can't wait to see what Zoe will let happen in book #2 Von Bianca @BJsBB4.5 StarsFour years ago Casey won 40 million pound in the lottery and with the help of her family she turned that money into even more. She started her own company and invested in lots of things and now she's one of the richest women in England - at only 24 years old.Enter Matthew Jackson.He's one of the two Jackson

brother's from California, who are trying to merge their company with Casey's. And while talking business they get to know and like each other... But Casey doesn't just want to be another notch on his bedpost - even though he's the first guy she's been interested in after leaving her cheating ex years ago. And Matt - he also has lots of problems back home Add a few lies and all those ex boy- and especially girlfriends - and a creepy dangerous Stalker... and the happy ending we're hoping for might not be that easy to achieve... WHAT WILL HAPPEN WITH CASEY MATT??? WILL THEY GET THEIR HEA??? WILL THERE BE A CLIFFHANGER o.O OR WILL EVERYBODY DIE AT THE END??? o.O NOPE..... I'm not telling you I don't want to spoil anything!!! (OK - there might be a tiny little Cliffhanger - book #2 will be out very soon!) I REALLY ENJOYED THE STORY!! This was the first time I ever read about a girl winning the lottery and being rich Don't we all want that?? In other books you mostly have the rich CEO and the poor little innocent girl We DO have the rich CEO here too - but with Casey being his equal in business matters - it's a lot different than other books - I really liked that. The book was really sexy and funny and cute and frustrating and suspensy... and now I can't wait to see what will happen in book #2 Was there something I didn't like? Not really - it's just that you notice that this was Zoe's first attempt at writing - like that the sentences don't really flow - but I'm sure book #2 will be much better BUSINESS was a really interesting sexy start to a new series - can't wait to see what Zoe will let happen in book #2
