**Von Kathleen Eagle : But That Was Yesterday** before purchasing it in order to gage whether or not it would be worth my time, and all praised But That Was Yesterday:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Nicht ganz einfach, aber mehr als wichtig!Von B. SchneiderAlkoholismus unter Native Americans - das ist ein Thema, was als Grundlage eines Liebesromans nicht ganz einfach zu verpacken ist. Und so ist die Geschichte an sich auch im Grunde nur die der Menschen in den Reservaten, die oft verzweifelt gegen den Alkohol und seine Folgen kmpfen.Das

tut Sage, die Hauptfigur, so gut er eben kann... und erzählt dabei eindrucksvoll von bitteren Problemen, die man in einem Liebesroman kaum erwartet. Schade, dass Kathleen Eagle, die so exzellente Bücher über das heutige Leben der Lakota und Ojibwa schreibt, immer in so klischeehafte Verpackungen gepresst werden muss. Sie kann so viel mehr... ich liebe ihre Bücher, weil mich das Thema immer schon interessiert hat - doch ich denke, dieses Buch ist nicht nur in Sachen Native Americans interessant, sondern zeigt auch an sich die Probleme von Beziehungen unter dem Schatten des Alkoholismus ganz allgemein. Gute Charaktere, wichtiges Buch.

Kurzbeschreibung  
Can he live up to her dreams?  
Sage Parker dragged himself up from an alcoholic pit and now focuses on rebuilding his ranch on the Lakota Sioux reservation in South Dakota. He's rebuilding his life and helping others do the same by forming a recovery group that honors the Lakota tradition of seeking the Red Road, walking in a good way. And Sage knows his way around roads. Ranching is his hope for the future, but road construction pays the bills now. Into his life walks Megan McBride, white and blond and idealistic. She's an engineer; she's there to build a much-needed road on the reservation. Sage struggles with his attraction to her just as he battles his addiction--one day at a time. They're from different worlds. He's embracing the tribal heart, defending his people from the forces that threaten to destroy them. There's no way she'll stay with a lightning rod like him, once her job is done. And yet she's the courageous soul mate he's always wanted--and exactly what he needs  
Their slow, simmering, red-hot romance builds to a heart-wrenching question--what happens if he can't live up to his ideals and her dreams?  
Kathleen Eagle has published more than forty books, including historical and contemporary, series and single title, earning her nearly every award in the industry. Her books have consistently appeared on regional and national bestseller lists, including the USA Today list and the New York Times extended bestseller list.
