Von Gwen Hayes : Butterface (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Butterface (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Lovely short story!Von _yay_ @ Book that ThingFor Lucas "Lucky" O'Leary things have just been falling into place without much of an effort all his life. He has yet to learn how to stand up for what is right.Beth waits tables at the diner Lucas spends most of his time studying and a fragile friendship blossoms. Born with hemifacial microsomia, the scars in her face...and the ones on the inside...make it hard for her to trust people. How can Lucas possibly tell her that his friends put im up to bringing her to a party in hopes of winning the price for the ugliest date?Butterface was a lovely short story. I didn't think character-development would be possible, but Hayes proved me wrong. It was heartbreaking to read how Beth held her head at a certain angle, making sure her imperfections wouldn't be easy to notice. I loved her

spunk, but at the same time knew it was her defense mechanism against the world. Her suffering made me despise Lucas' so called friends, who pressured him to bring Beth to the "Dog Dinner". The sad truth is, this might just be a story, but there are people just as - if not more - self-centered and uncaring in the real world. Then again, Lucas was no innocent and I hoped he would be able to redeem himself (I'm not telling!). One could feel the guilt he was carrying every time he was able to get through to Beth. Whether he made her smile or feel things she worked hard to not have to feel, his secret loomed over them. It was the very thing that prevented their first kiss from being anything other than perfect. Boy was I surprised by the ending. No worries - in a good way. You'll be proud of the both of them and might even shed a tear or two. The one mistake that really bugged the heck out of me was that the author misspelled the birth defect Beth was suffering from. As far as I know it's called "hemifacial microsomia" instead of "hemifacial microsomia". If I'm wrong, please let me know, because this error is the reason why I'm not giving the story 5 stars. Normally it wouldn't have been such a big deal, but the whole story was built on it. This I can't just overlook. 4 stars to Butterface by Gwen Hayes. A terrific short story. Beware of Spoilers! Three quotes for those of you who are interested: "...smoking hot bod...but her face." "He was a great guy, but he was too great a guy for her." "The ones above made me feel sick to my stomach." "...how does a guy slay dragons for a girl when they're all in her head." 0 von 0 Kunden fanden die folgende Rezension hilfreich. Gute Short-Story Von Customer Ich beugelte dieses Buch schon eine Ingere Zeit, jedoch war ich mir nicht sicher, ob mir die Charaktere zusagen wrden. Als die Story jedoch kostenlos zu kaufen gab, kaufte ich sie natrlich, es gab ja nicht wirklich etwas zu verlieren. Ich muss sagen, dass mir das Buch ziemlich gut gefallen hat und htte ihm bestimmt eine bessere Bewertung gegeben, wenn das Buch etwas lnger gewesen wre. Die beiden Hauptcharaktere Beth und Lucky waren mir sehr sympathisch. Lucky war kein Player, sondern ein liebenswrdiger und rcksichtsvoller Charakter, der Beth trotz ihrer Narben wirklich gemocht hat. Beth fand ich auch ziemlich interessant. Sie hat gelernt, mit ihren Narben umzugehen, jedoch kann sie kaum glauben, dass sich so ein gut aussehender Typ wie Lucky fr sie interessiert, jedoch wird sie mit der Zeit selbstbewusster. Die Liebesgeschichte war schn mitzuverfolgen, jedoch fand ich einfach, das zu wenig passierte, was aber natrlich daran liegen mag, dass es eine Kurzgeschichte ist. Insgesamt habe ich Butterface gerne gelesen und kann es weiterempfehlen.

Kurzbeschreibung When love isn't lucky...or pretty. The scars on Beth's face aren't nearly as deep as the ones she nurses on the inside. She was born with hemifacial microsomia and was supposed to feel "lucky" that she wasn't as disfigured as some people. One boy, Lucky O'Leary, starts to find the cracks in her hard shell and finds himself falling for her. Only Lucky has a secret--he needs to bring Beth to a "dog dinner" or lose his spot on the team. She can't find out that the guy who brings the ugliest date wins a prize. Young Adult Short Story--8000 words Kurzbeschreibung When love isn't lucky...or pretty.
