**Von Julie Bozza : Butterfly Hunter (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Butterfly Hunter (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Soo wonderful!!!!Von sabine rosenblattthis is the first time I felt the urge to recommend something, but this book is so heartbreakingly wonderful it just has to be read. I laughed and cried right through it - not to worry, it has a HEA - and it's one of the sweetest books about love I've read in a long time. It reminded me a bit of Brokeback Mountain, if you recall that movie. So - go and read it!!!0 von 0 Kunden fanden die folgende Rezension hilfreich. Wonderful storyVon

SunneA slow paced but well crafted story, one of those where you wonder afterwards what was special about it. You can't name it but it stays with you, a warm and happy glow. Yes, one of those stories.

KurzbeschreibungIt started as a simple assignment for Aussie bush guide Dave Taylor - escort a lone Englishman in quest of an unknown species of butterfly. However Nicholas Goring is no ordinary tourist, his search is far from straightforward, and it's starting to look as if the butterflies don't want to be found. As Dave teaches Nicholas everything he needs to survive in the Outback he discovers that he too has quite a bit to learn - and that very often the best way to locate something really important is just not to want to find it...KurzbeschreibungIt started as a simple assignment for Aussie bush guide Dave Taylor - escort a lone Englishman in quest of an unknown species of butterfly. However Nicholas Goring is no ordinary tourist, his search is far from straightforward, and it's starting to look as if the butterflies don't want to be found. As Dave teaches Nicholas everything he needs to survive in the Outback he discovers that he too has quite a bit to learn - and that very often the best way to locate something really important is just not to want to find it...ber den Autor und weitere MitwirkendeI was born in England and lived most of my life in Australia before returning to the UK a few years ago; my dual nationality means that I am often a bit too cheeky, but will always apologize for it. I have been writing fiction for almost thirty years, mostly for the enjoyment of myself and my friends, but writing is my love and my vocation so of course that's where my dreams and ambitions are. In the meantime, technical writing helps to pay the mortgage, while I also have fun with web design, reading, watching movies and television, knitting, and imbibing espresso.
