Von Eva Gates : By Book or By Crook (A Lighthouse Library Mystery) before purchasing it in order to gage whether or not it would be worth my time, and all praised By Book or By Crook (A Lighthouse Library Mystery):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Charles, the cat, is cuteVon Kethry47That is almost the best I can say about this. Lucy, the librarian and heroine of the book,

more or less also is the problem of the book: Lucy, who's supposedly 30 years old, but behaves like a thirteen-year old. And a not very bright 13-year-old at that. She is so dumb she believes every single "ghost story" a rival tells her and spends the night cowering in her bed. She is so dumb she runs around town accusing all and sundry of having committed a crime, without having the slightest shred of evidence. She isn't even subtle about it, no she runs right up to someone and blurts out that they did it. When she comes under suspicion, what does she do? She cries. The - three - single men of the town all flock to her - apparently it is enough to look cute and be dumb. The most intelligent thing she seems to have done in her life is to say "no" to a proposal from her childhood friend. I love cozy mysteries and this one looked like a good set-up: library in a lighthouse, murder, theft, lots of likable supporting characters and a cat. What more can you ask? Well, an intelligent heroine would have been nice. I did buy the next book. I guess I am glutton for punishment - or a dumb optimist who hopes things might improve. We'll see. If you intend to read it, borrow it from a library. Sadly, I do not have that option. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Loved it! Von Jeanne Adamek This was a fantastic book in a new series. Lighthouses, books, and wonderful new fresh characters! Can't wait until the next tome comes out.

Kurzbeschreibung Get bound up in murder in the first Lighthouse Library mystery! For ten years Lucy has enjoyed her job poring over rare tomes of literature for the Harvard Library, but she has not enjoyed the demands of her family's social whirl or her sort-of-engagement to the staid son of her father's law partner. But when her ten-year relationship implodes, Lucy realizes that the plot of her life is in need of a serious rewrite. Calling on her aunt Ellen, Lucy hopes that a little fun in the Outer Banks sun and some confections from her cousin Josie's bakery will help clear her head. But her retreat quickly turns into an unexpected opportunity when Aunt Ellen gets her involved in the lighthouse library tucked away on Bodie Island. Lucy is thrilled to land a librarian job in her favorite place in the world. But when a priceless first edition Jane Austen novel is stolen and the chair of the library board is murdered, Lucy suddenly finds herself ensnared in a real-life mystery and she's not so sure there's going to be a happy ending....

Pressestimmen "By Book or By Crook" is a smart whodunit. Assistant librarian Lucy, is a likeable heroine among an engaging cast of supporting characters."--Sofie Kelly, "New York Times" bestselling author of the Magical Cats mysteries "A library in a lighthouse? And a cat? Sign me up! A fun read for all cozy fans."--Laurie Cass, national bestselling author of the Bookmobile Cat mysteries "This is a first-rate cozy mystery featuring a spunky librarian, a captivating book collection, an intriguing lighthouse, and plenty of twists and turns to keep you reading until dawn."--Daryl Wood Gerber, national bestselling author of the Cookbook Nook mysteries
