Von Evan Currie : By Other Means (On Silver Wings Book 5) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised By Other Means (On Silver Wings Book 5) (English Edition):

technisch wieder plausibel (natürlich relativ - wir sind ja bei Science Fiction) erzählt und auch die bekannten Charaktere bleiben sich treu und geben nicht plötzlich fremde Züge wieder. Einzig wirklicher Kritikpunkt ist, dass die Geschichte nur wenig weitergeht. Es ist vielmehr eine ich wills mal Zwischenepisode nennen. Hat trotzdem Spaß gemacht und ich freue mich auf die Fortsetzung (ist im Epilog angekündigt). Als eBook lohnt sich die Investition der paar Euro auf jeden Fall. 0 von 2 Kunden fanden die folgende Rezension hilfreich. where is the rest?? Von A. Neurath The book feels unfinished. A little bit too fast paced for my liking. Nonetheless I will read the next book of the series hoping it will be back to the standard one expects of the author.

Kurzbeschreibung The Hayden War has ended and now SOLCOM and the Alliance are face to face in talks, but neither side has the slightest idea what happened in the ultimate battle of the war. Amid political jockeying and diplomatic gamesmanship, Captain Sorilla Aida has been given an assignment : Find a weakness to exploit, buy SOLCOM time to learn just what the hell happened to Valkyrie, and make sure that the Alliance isn't prepared to risk another conflict in the open. Sorilla has problems of her own, however, and after losing so much in the war she isn't as certain of her life choices as she used to be. Unfortunately for her, the Alliance, SOLCOM, and others don't intend to let her have time to figure it out for herself. The Hayden War is over, the Cold War is just beginning. **By Other Means** is the fifth book in the On Silver Wings series** 4/26 Corrections uploaded ****Kurzbeschreibung** The Hayden War has ended and now SOLCOM and the Alliance are face to face in talks, but neither side has the slightest idea what happened in the ultimate battle of the war.
