awesome and sweet, right perfect!Von Anne B.Such a sweet and great story, exactly what one needs for the Holiday,

especially some confirmed s#cker for romance like me! "Cabin Nights" is just again an more than awesome little tale by Ashley John which you'll love from the first page to the last. I did! Just thinking of Cal's christmas present for Ben...awww...perfect! Thank you for this little precious and early christmas present, Ashley!

KurzbeschreibungOxford University student, Ben thinks a skiing holiday in the French Alps is his idea of hell, so when his best friend, Jonny suggests they spend Christmas there he isnt impressed. Taking to the slopes like Bambi on ice, Ben isn't having much luck, until charming bearded beauty, Cal, comes crashing towards him in a flurry of snow at fifty miles an hour. From the moment Cal offers to help Ben get back on his skis, the attraction is instant and Ben is convinced that a man as perfect as Cal is out of his league. Womanizer Jonny wastes no time asking out a girl he meets on the slopes and he makes her promise to bring along a friend to keep Ben occupied that night in the Aprs-Ski Bar. When that friend turns out to be Cal, he's given the opportunity of a lifetime to wine and dine with a man of model like beauty, with a charismatic personality to match. When Cal invites Ben back to his Cabin, they find themselves trapped in an extreme whiteout and with the men forced to spend the Christmas holidays together, they quickly find they are doing more than roasting marshmallows next to the warm and inviting fire.*Contains gay sex scenes between an Oxford University Student and a sexy bearded cabin dweller*
