Erotisches Mrchen fr ErwachseneVon BenGunKeira Telford erzht hier im Prinzip die gleiche Geschichte wie in "The Housemistress". In beiden Bchern verflft eine Frau um die 30 den Reizen eines Teenagers. Dort war es das verbotene Verhltnis Lehrerin - Schlerin, hier "Kindermdchen" - Zgling. Dennoch ist die Sache spannend. Es knistert frmlich

zwischen Nanny Marlee und Zgling Cadence. Und so fallen Stck fr Stck die Hemmungen und die Kleider.Im Unterschied zu "Housemistress" dreht sich hier eigentlich fast alles um Sex und Cadence ist sehr, sehr neugierig und sehr, sehr sexy.Die Geschichte an sich ist vllig unrealistisch, eher ein modernes Mrchen. Wenn man das akzeptiert, ist das Buch aber sehr erotisch, sexy und unterhaltsam. Wer gerne lesbische Erotik liest, ist hier bestens bedient.

KurzbeschreibungAN EROTIC LESBIAN ROMANCE"She'd positively vibrated with the thought of being the one to break through that last vestige of childhood and bring her darling Cadence fully into womanhood. But at the same time, she hadn't been able to overlook the magnitude of the responsibility. Hadn't been able to overlook it, nor come to terms with it."*****Being sixteen years old and destined to marry the boy your mother picks out for you sucks. Being sixteen years old, gay, in love with your new nanny, and destined to marry the boy your mother picks out for you sucks worse--and it's not so great for the nanny, either.Thirty-three-year-old Marlee Meeks isn't exactly sure how long she's harbored romantic feelings for her young charge, Cadence Ashlock, but by the time they share their first forbidden kiss, she knows their lives have become dangerously entangled.*****Contains graphic explicit language***KurzbeschreibungAN EROTIC LESBIAN ROMANCE"She'd positively vibrated with the thought of being the one to break through that last vestige of childhood and bring her darling Cadence fully into womanhood.
