I think I read this book three timesVon Mara BluAnd this should say something about why i gave it 5 stars.If you are feeling slightly depressed this is better than any pill on the market.The only downside is that is the first book in a series of many and me, personally, have serious issues not going through all of them one after the other like a diabetic through a kilo bag of gummy bears.It can literally kill your social life for a while but is funny as hell.Loved it.

Kurzbeschreibung"Fans of Janet Evanovich will be glad to see that you don't always have to go to the burgh for mirthful murder and mayhem."- BooklistHow does a blonde spell "Farm"?E-I-E-I-O Tressa Jayne Turner has had it up to here with the dumb-blond jokes and a childhood nickname that's harder to get rid of than her favorite pair of cowboy boots. Thanks to one Rick Townsend, Iowa Department of Natural Resources officer, local hottie, and general pain in Tressa's behind, everyone knows her as "Calamity Jayne". Just because she may be a little accident prone and trouble seems to sometimes find her, Tressa can't get anyone in her small town to take her seriously. That is, until Tressa finds a seriously dead body and an opportunity to get "Ranger Rick" and a skeptical citizenry to see that she's no longer that skinny kid with scraped knees. How? By resurrecting her job as a reporter for the hometown paper and solving a murder no one else believes happened... no one, that is, except the killer. Now Tressa is one not-so-dumb blonde who's out to gain a little hometown respect or die trying.Calamity Jayne Mysteries:Calamity JayneCalamity Jayne and the Fowl Play at the FairCalamity Jayne and the Haunted HomecomingCalamity Jayne and the Campus CaperCalamity Jayne in the Wild, Wild WestCalamity Jayne and the Hijinks on the High SeasCalamity Jayne and the Trouble with TandemsCalamity Jayne and the Sisterhood of the Traveling Lawn GnomeSix Geese A Slaying (a holiday short story)What critics are saying about the Calamity Jayne mysteries:" Filled with dumb-blond jokes, nonstop action and rapid-fire banter, this is a perfect read for chick-lit fans who enjoy a dash of mystery."- Publishers' Weekly"Fun and lighthearted with an interesting mystery, a light touch of romance and some fascinating characters."- RT Books "Throw in two parts Nancy Drew, one part Lucille Ball, add a dash of Stephanie Plum, shake it all up and you've got a one-of-a-kind amateur sleuth with a penchant for junk food and hot-pink snakeskin cowgirl boots.
