to Calder saga-western suspense-romance I th Von Ein Kunde I throughly enjoyed this book. Cat loses her fiance in an automobile accident, she is devastated. She returns to college to gather her belongings and return home to the Calder ranch. She goes to a bar with girlfriends for farewell night out--and ends up in the arms of a handsome stranger. Nine months later she give birth to a son and is determined to raise him by herself as a Calder. Five years later this stranger comes to Blue Moon, Montana as the sheriff he realizes that this child is a result of their one night encounter and the melodrama progresses. Hope there is another chapter in the future. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Disappointing Von Ein Kunde While Calder Pride has all the earmarks of another excellent Calder saga in the first half of the book, it soon fell flat. It was exciting and gripping all the way up until the main characters marry, in a way that I felt was totally unbelievable. Then suddenly with very little interaction between them, she's in love with him? Again, not plausible. And finally, the book ended abruptly, as if Ms. Dailey suddenly lost interest. There was so much more that could have been done with this story, I was definitely disappointed. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Calder Pride Von Beth Spanik Having read the other Calder stories, I felt this one lacked the character depth of the previous stories. It's obvious that another book is due out regarding Ty Jessy Calder as neither character developed well in this part of the saga. I wonder when the next will be and if it will tie all the loose threads left by Calder Pride. ie. The results of those shot: Ty, Cully, and Rollie; The birth of Ty Jessy's child; Sally Chase's relationship; Emma's part in the kidnapping, etc.

Kurzbeschreibung The Long-Awaited Addition to the Beloved Calder Series from the Queen of the Western Romance! Cat is a Calder, through and through: proud, headstrong, intelligent, and beautiful. When her fiance is accidentally killed, she vows never to love again. But one reckless night with a handsome, gray-eyed stranger changes everything, giving her a son with striking gray eyes. Deciding to raise the baby on the Triple C Ranch, Cat thinks she's finally got life under control until the new sheriff, Logan Echohawk, arrives in town. He's a ruggedly handsome man with striking gray eyes... The harder Cat tries to ignore Logan the more she finds herself torn between her promise to her first love and powerful, unexpected feelings for her child's father. With the whole Calder clan standing firmly behind her, and her son's future in her hands, Cat must decide: Will she keep her heart safe or take a chance on a new, true love? .de Setting: contemporary Montana and Texas Sensuality: 7 Cat Calder is grief stricken when her young fianc is killed in a car accident. Emotionally devastated and vulnerable, Cat's final evening in town--meant to be spent with close college friends--ends instead in the arms of a handsome, gray-eyed stranger. Nine months later, Cat gives birth to a healthy baby boy and raises him in the protective bosom of her powerful family; everything changes the day a lawman--with arresting gray eyes--arrives in Blue Moon, Montana. Logan Echohawk has never forgotten that night or the beautiful stranger, and it only takes one long look at the boy to know that the brief, passionate encounter had created a child. While Cat struggles to come to grips with Logan's appearance, an enemy's long-smoldering thirst for revenge flares to life, threatening Logan, Cat, and their beloved son. Will Logan's training as a lawman be enough to save his family? And even if everyone survives, will Cat have the courage to chance her heart and love again? The newest installment in Janet Dailey's much loved Calder family saga, Calder Pride possesses both complex characters and a compelling plot line--one infused with a suspense element that Dailey conveys as effortlessly as the essence of a Montana ranching community that will charm the reader throughout. Intelligent and strong, Cat is well balanced by Logan, who is her equal, whether they're riding horses, roping cattle, battling bad guys, or making love. Fans who fell in love with earlier Calder novels will be delighted with this latest chapter in the family chronicle. --Lois Faye Dyer.com Setting: contemporary Montana and Texas Sensuality: 7 Cat Calder is grief stricken when her young fianc is killed in a car accident.
