**Von Diana Palmer : Callaghan's Bride (Mills Boon Cherish) (Long, Tall Texans, Book 22)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Callaghan's Bride (Mills Boon Cherish) (Long, Tall Texans, Book 22):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. One of Palmer's better recent effortsVon Ein KundeI love Diana Palmer's books and I have almost every romance she has ever written. In the past few years, I haven't quite enjoyed her newer books as much as I did the older ones (the ones she wrote in the 1970s-early 1990s). This book, however, reminded me more of vintage Palmer. The virgin heroine, Tess Brady, is hired as a housekeeper by the rambunctious Hart brothers--three die-hard bachelors. While the two youngest

adore Tess (and the delicious, flaky biscuits that only she can make to their satisfaction) the oldest, Callaghan, seems to hate her and clashes with the poor girl at every turn. Of course, the way things appear on the surface aren't always what they seem to be... This is a great book--I only gave it four stars because I've read better Palmer books but I still found this one to be very enjoyable. If you like this, try and find Callaghan's brother Simon's story (Silhouette Desire #1189 BELOVED) and also their other brother Corrigan's story (CHRISTMAS COWBOY in the LONE STAR CHRISTMAS duet book w/Joan Johnston). Both are out of print.0 von 0 Kunden fanden die folgende Rezension hilfreich. It exudes romance and sweetness.Von VABI have been reading romance novels severn years of my nineteen years. I have loved these books since I picked up my first one. When I read this book I totally came to see why I fell in love with romance novels. I like seeing the struggle each character must go through before they can eventually find one another. I like reading and discovering each characters different personality. I love the plot and surroundings in each novel. This novel has it all and more. I can't get enough of it. I loved every endearing and emotional bit of it. I think anyone who loves romance novel and maybe some who don't will be captivated by this story. I hope everyone who has read would enjoy it as much as myself.0 von 0 Kunden fanden die folgende Rezension hilfreich. Loved it !Von Ein KundeThis Diana Palmer was great. Cag and Tess were great together. He was so tough but I think that she handled him great. And Tess brought out the best in him. I liked this book, even if it was short it had everything. I hope the younger brothers stories are just as good.

KurzbeschreibungRugged as an oak, moody as a thundercloud, rancher Callaghan Hart awed women and intimidated men. So how could one scrappy little redhead nearly bring Callaghan to his knees?Easy! Tess Brady, the ranch's new housekeeper, was soft as a kitten. Dewy as springtime. And secretly sweet on big, bad Callaghan. Which drove the hardened loner mad. For Tess's youthful innocence drew him like forbidden fruit. He wanted to touch her. Taste her. Make her hisBut no way would Callaghan bed a stary-eyed virgin whose dreams he could never fulfill. No way would he get trapped into marriage. No matter how tempting the bait.KurzbeschreibungRugged as an oak, moody as a thundercloud, rancher Callaghan Hart awed women and intimidated men.
