Excellent - puns and allVon Ein KundeThis collection of short stories remains one of my favorite books. Callahan's is the neighborhood bar that everyone secretly wants to find - regulars are truly family and the focus isn't really drinking. This collection revolves on the notion that people find Callahan's when they need to - when they have a problem and

need help solving it. Of course, it's science fiction, so some of the problems are a little unusual. The characters are warm, funny, and very human. I should warn you though that the book is FULL OF PUNS. Overall, the book is well-written and I highly recommend that you buy it. Right now.0 von 0 Kunden fanden die folgende Rezension hilfreich. Where Everything Comes Together Von Ein Kunde Callahan's Crosstime Saloon is a compilation of many stories centered around a backwoods bar named Callahan's. It is here where old friends meet, new friends are made, puns are exchanged, glasses are shattered, healing begins, and the world is saved. Join Jake, Fast Eddie, the Doc, and a slew of other characters as they tell jokes, stories, and make the acquaintances of some very odd aliens, with equally odd problems. No one just stumbles into Callahan's, you find it.

Kurzbeschreibung A one-of-a-kind bar with a colorful batch of regulars who tell stories, exchange terrible puns, and meet strangers human and alien alike who are drawn to this 'saloon' where "shared pain is lessened, shared joy is increased." "If one were given the task of creating Spider Robinson from scratch, the best way to do it would be to snatch James Joyce from history, force-feed him Marx Brothers films and good jazz for the better part of a decade, then turn him loose on a world badly in need of a look at itself." - The Vancouver Sun Pressestimmen "If one were given the task of creating Spider Robinson from scratch, the best way to do it would be to snatch James Joyce from history, force-feed him Marx Brothers films and good jazz for the better part of a decade, then turn him loose on a world badly in need of a look at itself." - Vancouver Sun "Nobody's perfect. But Spider comes pretty damned close." - Ben Bova Kurzbeschreibung A one-of-a-kind bar with a colorful batch of regulars who tell stories, exchange terrible puns, and meet strangers human and alien alike who are drawn to this 'saloon' where "shared pain is lessened, shared joy is increased."
