The hero was trying to keep his secretary by playing the role of the fiance. He winds up falling for her despite her hideous outfits. He's alarmed after he finds out she's really hot stuff when she is properly attired. His brothers are a constant source of entertainment. I enjoyed the witty dialogue and the humor in the book. This was the first book I read from this author. Look forward to the other 3 brothers' stories.0 von 0 Kunden fanden die folgende Rezension hilfreich. Callan's PropositionVon Roberta CypertCute,funny story about a man who will do anything to keep an efficient secretary. When an animated piece of

office machinery (the secretary) stops functioning, Callan Sinclair is willing to do whatever it takes to put things back in order. He doesn't have a clue about how involved he will become. I enjoyed the book.

His powerful presence had taken her breath away more than onceand the fantasy of his kisses kept her up at night.But Abigail's current situation called for more than fantasyshe needed a real fianc, or she'd be forced to leave. That was when Callan noticed the curves his conservative secretary had been hiding. Their counterfeit engagement was perfectbut was the arrangement business or pleasure?KurzbeschreibungOutside the office, Callan Sinclair didn't know that Abigail Thomas existed.
