Von Catherine Coulter : Calypso Magic (Magic Trilogy) before purchasing it in order to gage whether or not it would be worth my time, and all praised Calypso Magic (Magic Trilogy):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Calypso Magic.....a good mystery. Von nvvb@mindspring.comThis is the second book in the Magic Trilogy. I find myself reading the trilogy backwards, so I'm not sure if Lyon Ashton was mentioned in "Midsummer Magic", but I'm sure he was. Met Lyon Ashton, who is recovering from his broken engagement, and Diana Savarol. Enjoy the baiting and the arguments between the two, as Lady Lucia pushes them together, although they are both against marriage. Follow the twists of Coulter's writing, as they are marooned on a ship, without an escort, left on an abandoned island, and are forced to marry....although, now, it is just Diana who is against marriage (a nice change!). Take in the sights of Savarol Island, and get involved in the murders and the mystery found there. This is a good story, but I especially enjoyed the mystery of whodunnit. Coulter leads you through an intriguing and seductive tale that has you turning the pages without realizing it.0 von 0 Kunden fanden die folgende Rezension hilfreich. Catherine spins a tale full of laughter and mystery,again! Von Ein KundeI have been a great fan of Cathrine Coulter for a year now...My friend introduced her with a book given to me on my birthday...I just finished reading Calypso Magic,which is witty and full of intrigue...Lyon and Diana's constant arguments soon have them both enjoying and needing each other-stranded on an island is just the place for both of them to realize they both love each other...and,the evil on Savarol Island bring them closer.I haven't read the rest of The Magic Trilogy,but i am looking forward to it!0 von 0 Kunden fanden die folgende Rezension hilfreich. I couldn't put it down ... Von Ein KundeI wouldn't describe myself as a big fan of Ms. Coulter's but after enjoying the first book in this series, I was looking forward to this one. It was funny and sweet. My biggest complaint is that it seemed to end too quickly. Now I can't wait to read the next book.

KurzbeschreibungWhile visiting London, a beautiful young woman becomes homesick for the West Indies. Unfortunately, her only available chaperone for the perilous journey is her rakish hot-tempered cousin... PressestimmenA good storytellerCoulter always keeps the pace brisk.Fort Worth Star-TelegramMs. Coulter is a one-of-a-kind author who knows how to hook her readers and keep them coming back for more.The Best sCoulter is excellent at portraying the romantic tension between her heroes and heroines, and she manages to write explicitly but beautifully about sex as well as love.Milwaukee JournalCoulter instinctively feeds our desire to believe in knights in shining armor and everlasting lovehistorical romance at its finest.BookReporter.comOne of the genres great storytellers.Kansas City StarOne of the masters of the genre.The Newark Star-LedgerCatherine Coulter is one of the best authors of exciting thrillers writing today.Midwest Book KurzbeschreibungWhile visiting London, a beautiful young woman becomes homesick for the West Indies.
