Von Debbie Macomber : Can This Be Christmas? before purchasing it in order to gage whether or not it would be worth my time, and all praised Can This Be Christmas?:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
HeartwarmingVon Ein KundeOn Christmas Eve, a monstrous snowstorm has shut down air traffic to and from all the Maine airports. Individuals with holiday plans rush to the train that is still taking passengers to Boston. On board the

train are several unhappy people, who want to be at their holiday destination. Naval shipmate Len Dawber is heading to Texas to ask the woman he loves to marry him. Cathy Norris, whose husband just passed away, cannot cope with being alone during this season of joy. She is going to stay with her daughter. After a fight with his wife, Matthew McHugh is angry and bitter and, at least this year, feels the holiday is a bah humbug! New parents, Kelly and Nick Berry just adopted a baby, but wonder if they are going to fail as parents. The train is forced to stop in a small New Hampshire town due to debris on tracks up ahead. This forces these and other strangers to spend Christmas Eve with one another either as fellow spirited travelers or individual Scrooges. CAN THIS BE CHRISTMAS is a fabulous Yuletide novella that will please readers of relationship tales. That master storyteller, Deb Stover, brilliantly describes the evolution from irate, insolent, and insulting individuals to a happy group sharing a special holiday. Anyone needing a lift should peruse this warm and charming tale. Harriet Klausner 0 von 0 Kunden fanden die folgende Rezension hilfreich. The newest Christmas classic must read. Von Ein Kunde "Can This Be Christmas" is a short, nevertheless touching story which will hopefully become a classic must-read for all. Twenty-four hours is such a short period of time unless your plans have suddenly been drastically changed and you have no control over them. The cast of characters learn quickly that the Christmas spirit is alive and well in each of them. That spirit does present itself once a "child" shows them the way. Even the most hard hearted will get a little teary-eyed with this quaint tale. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A Christmas Story -- but not a romance Von Ein Kunde This isn't one of Debbie Macomber's usual books. This isn't a romance, but it is wonderful all the same. People stuck in a New England train depot, each with their own baggage, wind up helping to make the birthday of our Saviour better for each one. I thought it was a great story.

Kurzbeschreibung On December 24, a crowded train is taking holiday travelers home for Christmas. But because of a snowstorm, this group of strangers ends up spending Christmas Eve together, stranded in a small New Hampshire station. Despite the cold and discomfort, they create an impromptu celebration that reminds them all what Christmas really means. A story that's destined to become a Christmas classic!. de In this short hardcover, Debbie Macomber shows how a group of train travelers stranded in a New Hampshire depot on Christmas Eve find the true meaning of Christmas. Len Dawber, a navy man stationed in Maine, is desperate to get home to Texas, where he intends to propose to his sweetheart Amy. Cathy Norris, devastated by her husband's recent death, doesn't expect to enjoy the holiday with her daughter's family in Boston. Burned-out computer salesman Matt McHugh, emotionally estranged from his wife and two kids, nurses his resentment and contemplates divorce. Kelly and Nick Berry fear they're losing the closeness they once shared as they struggle to adjust to their new roles as adoptive parents. When a blizzard forces these characters, and several others, all cranky and argumentative, to spend the night before Christmas together, they find that a little kindness and the courage to open their hearts go a long way toward making it a Christmas to remember. A good choice if you're looking to get in the Christmas spirit. --Ellen Edwards Kurzbeschreibung On December 24, a crowded train is taking holiday travelers home for Christmas.
