Von Billy Wood-Smith : Can You Mend It? Part 2: Torn (CYMI Series) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Can You Mend It? Part 2: Torn (CYMI Series) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Part 2 is even betterVon elke holzerI already liked part 1 very much, but part 2 (I have to admit) is even better. I could not stop reading from page 1 until the end.Finally a "love story" that is realistic and describes the world, as it is. Kind of a modern version of Romeo and Juliet (not to forget the witch Liz of course).Heard there is going to be a part 3 planned as well? Really looking forward to reading that one, too.0 von 0 Kunden fanden die folgende Rezension hilfreich. Great!!!Von Carolina WeibacherI agree, even better than the fiirst one!!!I remember reading that in the first book it

was not clear if Joe even loves Danny that much, and that she was "too much work"! I have to disagree! I thought it was clear on the first book, and after the second one, there's no doubt!! I loved it! Could not put it down till I was done!

Kurzbeschreibung 24 hours after Joe's slamming D's car door shut, Book 2 continues telling the story. Of Joe and D, who still have a lot to work out (for themselves and between each other) and also of Jack and Sarah. Is D really going to join Pete for his party at work? What about her scheduled trip to London? And the job she applied for? How is Joe dealing with what she told him? Is he going to let Liz get away with what she did? Are Jack and Sarah going to get involved in all this? And what about the woman Jack's secretly in love with?
