Von Jude Knight : Candle's Christmas Chair (The Golden Redepennings Book 0) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Candle's Christmas Chair (The

Golden Redepennings Book 0) (English Edition):

KurzbeschreibungWhen Viscount Avery comes to see an invalid chair maker, he does not expect to find Min Bradshaw, the woman who rejected him 3 years earlier. Or did she? He wonders if there is more to the story. For 3 years, Min Bradshaw has remembered the handsome guardsman who courted her for her fortune. She didn't expect to see him in her workshop, and she certainly doesn't intend to let him fool her again.

ber den Autor und weitere MitwirkendeAfter a career in commercial writing, editing, and publishing, I am returning to my first love, fiction. I love capable determined heroines, and heroes who appreciate them. My first novel is Farewell to Kindness, number one in The Golden Redepennings, publication date 1 April 2015. I have several novels in progress, and plot outlines for 40+, all set in the early 19th century. The plans include seven series, several stand-alone novels, novellas, and short stories, and a number of characters who intersect across series.
