KurzbeschreibungThe first action-packed historical adventure in the internationally acclaimed Captain Alatrisme series, featuring a Spanish soldier who lives as a swordsman-for-hire in 17th century Madrid. Needing gold to pay off his debts, Captain Alatrisme and another hired blade are paid to ambush two travelers, stage a robbery, and give the travelers a fright. No blood, they are told. Then a mysterious stranger enters to clarify the job: he increases the pay, and tells Alatrisme that, instead, he must murder the two travelers. When the attack unfolds, Alatrisme realizes that these are not ordinary travelers, and what happens next is only the first in a riveting series of twists and turns, with implications that will reverberate throughout the courts of Europe...
