Club Decadence - Tony und MeganVon Renate H.In diesem ersten Buch geht es um "Captain" Tony und Megan. Die beiden kennen sich seit 15 Jahren. Aber da Tony bei den Special Forces ist, und daher selten zu Hause, will er Megan nicht an sich binden. Dies ndert sich, als er gemeinsam mit Freunden eine Sicherheitsfirma grndet und den Club

aufbaut. Megan ist eine selbständige Frau, die sich an ihren dominanten Captain erst gewöhnen muss, obwohl sie ihn schon immer bewundert hat. Dieser Weg ist sehr gut beschrieben, die Handlung nachvollziehbar. Es fehlt auch nicht das Spannungselement, da sich Tony im Regierungsauftrag um ein Drogenkartell kümmern muss. Wer Spanking liebt, kommt voll auf seine Kosten. Die Erotik ist auch sehr heiß. Was in diesem Buch noch zu wenig vorkommt, ist eine Beschreibung der Aktivitäten im Club. Leider gibt es auch Rechtschreibfehler, die den Lesefluss aber nicht wirklich stören. Eine Leseempfehlung für alle, die husliche Disziplin und Spanking lieben, und auch nichts gegen ein bisschen Romantik haben.

Kurzbeschreibung Special Forces Captain Tony Rossi is back from Afghanistan and ready to settle into civilian life. He has his business affairs in order and is now ready get on with the personal business of Megan Sinclair. Kept apart for 15 years by distance and circumstance, those barriers no longer exist and Tony is ready to claim his woman. Will she be willing to accept his belief in a traditional relationship where the man is the head of the household? What about his part-ownership in the local bondage club? He is determined to win her no matter the obstacles that get in his way. Megan, for her part, has loved him since high school but believes he just thinks of her as a cute, kid sister. When she realizes that Tony is interested, it's a double-edged sword. As an independent business woman can she conform to Tony's old fashioned beliefs and demands and be spanked? Can she bring all her secret fantasies to life and submit? Finally, when they are both available to work on a relationship, life interferes. Megan accidentally becomes embroiled in the conspiracies of a local drug dealer with ties to a Mexican drug cartel. Tony must keep her safe at all costs, something that now she is not at all sure she wants. When fantasy meets reality, bottoms get sore and suddenly that's not quite so much fun. Or is it? This extra-long romantic story contains non-consensual and consensual domestic discipline and spanking, including mild BDSM elements. And don't miss Book Two of the Club Decadence series, "You Said Forever," (AISN: B00D1Y90AS) now available!
