Von Royce Day : Captive of the Red Vixen (The Red Vixen Adventures Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Captive of the Red Vixen (The Red Vixen Adventures Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice

enough story Von Darkenwood and interesting, what with the different species. But the spelling and the grammar are a disgrace. Really drives one mad whilst reading. It is a pity, as the speed of the narrative is good and there is a lot of humour in it. But the language is of such poor quality, with an average of four or five grammar or spelling mistakes per page - it spoils the fun.

Kurzbeschreibung In command of his family's star freighter, foxen noble Lord Rolas Darktail finds himself a captive of the infamous pirate, the Red Vixen. Drawn to her easy freedom, he finds himself torn between staying with her, and honoring his duties to his family, who must escape the cruel countess they serve. Come along with Rolas as he experiences love and adventure in this science fictional take on a traditional Age of Sail romance novel.
