Von Soraya Cage : Captive Witch (The Blood Truce Chronicles Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Captive Witch (The Blood Truce Chronicles

Book 2) (English Edition):

Kurzbeschreibung When Rose Wolfe is abducted and locked in a dark cell for countless weeks, she fears she is to become a meal for a soul-stealing demon. She soon discovers that there will be no quick death for her though, because her fate is far worse than she'd imagined: she's to become the eternal slave of a blood-sucking vampire. Mir knows he shouldn't keep Rose as a slave. The witch-vampire treaty is on shaky enough ground as it is, and he'll be put to death if he's caught. Besides that, he has no idea what her powers might be. But the blood of a witch is said to taste the sweetest of all, and impulse control has never been his strong suit. The temptation to taste her might be more than he can resist.
