Von Roger Smith : Capture before purchasing it in order to gage whether or not it would be worth my time, and all praised Capture:

Kurzbeschreibung In a city where the lines between rich and poor are drawn in blood, the truth is just the lie you believe the most ... Capture tells the stories of three desperate people. A father who is broken by grief and guilt. A son still haunted by the ghosts of his past. And a mother, desperate to save her child. In Cape Town, these three are drawn into a spiral of manipulation and murder that leaves them fighting for their sanity and their lives. Remember: the truth won't set you free ...

Pressestimmen Praise for Roger Smith's previous books - Shattering and satisfying -- Chelsea Cain
Roger Smith writes with the brutal beauty of Elmore Leonard in a very bad mood Washington Post Fast and furious
Sunday Times SA Brilliant and blistering -- Craig Russell Roger Smith's books have convinced me that Cape Town may be one of the scariest places in the world today, and Capture is no exception. It's filled with dangerous, flawed people and you care about even the worst of them. He's a writer's writer, master of the telling, cutting detail -- and he juggles inevitability and the utterly unexpected with a sure and steady hand, guiding you through his city of dark delights -- Jack Ketchum, author of The Girl Next Door
