KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. wasted my timeVon Volker Barthi have read some other stories of the author and liked them. this one is written so unbelievable and way of being near enjoyable. i cant` t believe that the same author wrote this nonsense. one star is even one to much. ridiculous!! dear author stay away from stuff you know nothing about0 von 0 Kunden fanden die folgende Rezension hilfreich. one of the best books everVon CustomerThis is one of my favorite books. Kurzbeschreibung"My husband has never held me like that. I'd remember if he did." "Once I started reading this book;

I simply inhaled it. It was that beautiful." reviewer*****Reed Kader is an angry and brooding Iraqi doctor who, for personal reasons, hates the U.S with a passion. Megan Saunders is a U.S. soldier fighting for her country in Iraq. When Megans convoy is ambushed, she is captured by Iraq militants. Trouble is, she is badly injured and in need of medical care. Dr Reed Kader is summoned to render medical assistance to the prisoner. At first he refuses she is the enemy, remember? Yet, he is conflicted how does he turn his back on someone in need of medical help? Reluctantly, the doctor helps her. Megan survives and is grateful for his help. As the days go by, they even become friends. As more time passes, along with a few massive hurdles that test their friendship, predictably, they enter into a relationship that is far beyond sexual. There are a couple of problems: 1)Megan is already married - to a U.S. police commissioner at that. 2)Reed wants to help Megan escape, but to do so would mean betraying his people.3)Saving Megan, helping her get her freedom means saying goodbye to each other for ever. Now heartbreak is on the cards. ***** This is NOT a story about war, this is a story about raw, passionate, forbidden love, a contemporary romance laced with layers of gripping suspense, intrigue, mystery and elements of a crime thriller. Its fast-paced, confrontational and its like no other romantic suspense novel you have ever read. s from readers: "This story isnt about war; it is about beautiful love. A story that will stay with you for a very long time." "Love, lust, twists that and turns that will keep you reading." "Action, lust and love from beginning to end. "Original story, hoooot love scenes. The love story of Megan and Reed will keep you hooked. Love their banter and how it develops into forbidden romance." "Two hours sleep before work isn't really substantial but it was worth it." Captured is a two-part series. Book 2 is available for sale. Contains coarse language, violence, sexual violence and sex scenes and racial themes.Video for Captured:
