Amazing story Von Anne B. Cute, romantic, hot and sexy story!! Loved the tension between Ronan and Brian and their

little rabbit shifter, Harley. How they're drawn to each other and can't resist their mating bond is kind of touching and makes you bite your lower lip in excitement yourself. The caring side of both Minotaurs is awesome, do they just want to protect and care for their little rabbit. The menage is so damn hot and sexy as hell. And you really long for these three to get their happy ever after. Hopefully we'll get to know more of this sexy Minotaurs in the near future!

Kurzbeschreibung[Menage Amour ManLove: Erotic Alternative Paranormal Menage a Trois Romance, M/M/M, shape-shifters, HEA] Welcome to Caer Tarw in beautiful, scenic Ireland, home of beautiful flora and endemic fauna, as well as...Minotaurs? Rabbit shifter Hayden Somerset wastes away at home, having nothing to do and having no sense of progress in his life. One day, he is given an invitation he can't refuse: an all-expenses paid trip to Ireland for three weeks, sponsored by the Supernatural Council. As soon as he gets to Caer Tarw, the stage is set: mating season is close nearby, and the purpose they were all invited for was to help the Minotaurs find their mates. Hayden is among the lucky ones, finding Minotaurs Brian Connelly and Ronan Breckenridge, who are lovers, and are Hayden's mates. But not all is well in their tiny slice of paradise. Hayden is clueless about Minotaurs and knows nothing about them. Ronan and Brian are clueless about how to bring their rabbit into their world. How exactly will they capture their rabbit's heart? Note: This book contains double anal penetration. ** A Siren Erotic
