Von Robert Galbraith : Career of Evil: Cormoran Strike Book 3 (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Career of Evil: Cormoran Strike Book 3 (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Page turnerVon Henry DixonAnother well crafted and well written detective novel that keeps you reading to the end. Can't wait for the next one.1 von 2 Kunden fanden die folgende Rezension hilfreich. Worst Cormoran Strike Novel so

farVon The only WayHmm, where to start...Cuckoos Calling and the Silkworm set the bar very high.Career of Evil is not a bad book, it is still written very well, it is still about the same great protagonists. It creates a lot of backstory, which is interesting.The problem i am having is, that it just does not give the reader anything to care about.In Cuckoos calling, a big part of the fascination was getting to know Lula Landry more and more throughout the story, and the more i learned about her, the more it made me angry that she got killed and the more i cared about the case.In The Silkworm, it was more about the suspects, which were all very interesting characters. Also the murder itself was so elaborate, that finding out "how" it was even done had a certain appeal.In Career of Evil, the murders are, apart from their violence, very generic and boring. Also the reader does not really get to know either the victims or the suspects. The name of the victim is pretty much all we know about her. And all we know about the suspects comes from Strike's memories of them, not from actually talking to them. So since i wasn't able to get to know any of them, I didn't care which one of them did it, which is a very bad thing for a crime novel.Additionally, Career of Evil is somehow much more serious than the previous two books, so the enjoyment of witty conversations and nice word-plays is not really there either.It is probably still worth reading to catch up with Robin's personal life and Strike's past, it is just that the case itself can never create any real tension.But considering the quality of Cormoran Strike 01 and 02, i am hopeful, that the next one is going to pull the series back out of this slump.0 von 1 Kunden fanden die folgende Rezension hilfreich. Ganz nettVon Freizeit PrinzessinDer Schreibstil ist super - was erwartet man bei J.K.Rowling auch anderes - aber ich fand die Geschichte jetzt nicht so spannend.Ich hatte das Gefühl das nichts so richtig passiert und es hat echt ewig gedauert bis ich das Buch fertig hatte.Kommt für mich nicht an die anderen Bücher ran.Sowas ist aber auch totale Geschmackssache.

ProduktbeschreibungWhen a mysterious package is delivered to Robin Ellacott, she is horrified to discover that it contains a woman's severed leg.Her boss, private detective Cormoran Strike, is less surprised but no less alarmed. There are four people from his past who he thinks could be responsible - and Strike knows that any one of them is capable of sustained and unspeakable brutality.With the police focusing on the one suspect Strike is increasingly sure is not the perpetrator, he and Robin take matters into their own hands, and delve into the dark and twisted worlds of the other three men. But as more horrendous acts occur, time is running out for the two of them...A fiendishly clever mystery with unexpected twists around every corner, Career of Evil is also a gripping story of a man and a woman at a crossroads in their personal and professional lives. You will not be able to put this book down.
