Von Joyce Mandeville : Careful Mistakes (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Careful Mistakes (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. An exquisite novel of mothers and daughters, life and love. Von Ein Kunde A Twist of Light is a beautifully paced, multi-layered novel of mothers and daughters, life and love, light and dark. In this second novel, Mandeville once again holds the reader captive, laughing aloud, and hoping for the best even as the tears begin to flow. This juicy read twists and

turns as only real life can do. Mandeville's rendering of the sixties in California's Central Valley is a superb portrait, reminiscent of Steinbeck's take on the Salinas Valley and no less convincing. She takes her main character, Lizzy, just as convincingly to the UK, the author's current home, where Lizzy's life is every bit as gracious and predictable as it was mean and chaotic in California. This is a good read. It leaves the dust of the Central Valley on the tongue and salt tears on the chin. It left me deeply moved and curiously satisfied. It left me wanting more out of Joyce Mandeville.

This is one book where the book jacket delivers on the promises. The natural crises of life and death do seem like a good time. The book opens with a death bed scene with snapshots from life that are both amusing in their perceptive observation of family sub-text conversation, and outright funny. Not that the subjects are taken lightly - death, religion, abortion are serious topics. But here they are explored in a wonderful life-affirming way. This book is neither fluffy, or stuffy; neither light, or heavy. Mandeville captures the real stuff of women's lives, the turning point events, and gives them a thorough yet enjoyable exploration. I recommend Careful Mistakes highly.

Von Ein Kunde

A moving and enduring book of a woman's relationship with her family, their faith and herself. Beautiful in every way. A perfect gem of a book. Funny, moving and rich with life. Every woman over 35 and under should read it

Kurzbeschreibung Jilly is facing a crisis - several, in fact. Long-widowed and 40-something, she has a mother-in-law from hell, a loving but terminally-ill father, and a daughter whom, despite being her pride and joy, she cannot stop fretting about. Then, all in one day, her father dies and Chloe reveals - in typically shocking fashion - that she is pregnant. Too much at once for some, but Jilly is a fighter and knows that she is surrounded by people she loves - including best friend Sue, wayward Chloe and the wonderful, sexy Elliott, Jilly's partner in lust and life. With everything going on, suddenly, Jilly feels the time has come to take stock and create a future of her own . . .
