Von Allen Red : Carly's Problems (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Carly's Problems (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. This is intesive!
Von KundeJust wow. Can't wait for the sequel (there will be a sequel, right?) All the transformations were

great and imaginative.

KurzbeschreibungCarlys life takes a turn for the worse after returning from her vacation. One second shes depressed, the next shes doing things previously unthinkable. Plus her breasts have started growing. Carly would normally be overjoyed at this, but after going from flat to bigger than her busty roommate Tatiana she starts to worry. Carly consults her doctor friend Nancy, only to learn something is growing inside her, something that will change Carlys life forever. Will she be able to live with her changes? Even if she can, is this only the start of Carlys problems? A dark tale of erotic transformation body horror.
