Von Lesley Jones : CARNAGE: Book #1 The Story Of Us (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised CARNAGE: Book #1 The Story Of Us (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 2 von 2 Kunden fanden die folgende Rezension hilfreich. Interesting story but... Von KirstyMUC Just bought this today and I'm only a few pages in. Although it says that it underwent a professional (!!!) re-edit it is hard to understand half of the time. There are unnecessary commas everywhere. Sentences that make no sense at all with a bunch of extra commas. Whoever edited this is probably paid by comma. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Raw und unconventional, intense read Von lizzyI

had to get used to the raw language and the disturbingly uninhibited drug consumption, but nevertheless gripping storyline, well described characters, the story is oozing emotion, I never cry but this one caught me. I read it in one night and immediately bought the 2nd book. Be prepared for an emotional rollercoaster

Kurzbeschreibung Out of this world read! Had me gripped all the way. Could not put it down. Fantastic real life raw emotion. If you want an emotional, hot, exciting, blow your mind kinda read then Carnage is what you need. There is no way I can describe this book to you. If 10 stars were an option it still wouldn't be enough. I'm declaring this book my most favorite book of 2014... 'how can you be so sure' I hear you asking simple It was BRILLIANT CARNAGE BOOK 1. A boy who dreamed about rock and roll. A girl who dreamed about a boy. A story about obsessive love, betrayal, loss and learning. This is NOT, your typical love story, but this is OUR story. The Story Of Us: 'I was just eleven years old, but I knew without a shadow of a doubt I was staring into the eyes of the boy I was going to love forever' No matter how many lies are told, no matter how many people conspire to keep us apart, despite the fame and the distance, it will only ever be him. Carnage is an epic love story that breaks all the rules, transcends the generations and spans over twenty years. Georgia and Sean's story will stay with you long after you read the final word. An emotional, gut wrenching read.
