Von Sheila O'Flanagan : Caroline's Sister (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Caroline's Sister (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. my first book of Sheila O'Flanagan got me hookedVon Magdalena RuhhammerI bought this book because I liked the short description on the back and because I bought a 3 for 18 Pounds offer at the airport. This is my first book from Sheila

O'Flanagan and I really loved it. Its not as fairy tale as some of the other classical Chick Flick writers such as Cathy Kelly or Jane Green, its much more down to earth with two women, sisters, struggling to get their lives under control. The book was absolutely enjoyable and I am now looking for more of the author's books.

Kurzbeschreibung CAROLINE'S SISTER by No. 1 bestselling author Sheila O'Flanagan is an unforgettable tale of family ties, secrets and surprises - not to be missed by readers of Veronica Henry and Freya North. To her younger sister, Tessa, Caroline O'Shaughnessy seems to have everything - great looks, easy charm, and the distinctly desirable Damien Woods. But for Caroline, things don't feel quite so rosy. She'd dreamed about moving in with Damien, but not about having his child, just yet. And though he did the honourable thing when she told him she was pregnant, it obviously wasn't what he wanted either. And as both of them struggle to make the best of a bad job, neither is prepared for the impact a moment of drunken indiscretion will have not just on their lives but on Tessa's too...
