**Von Sharon Lee, Steve Miller : Carpe Diem (Liaden Universe Book 10) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Carpe Diem (Liaden Universe Book 10) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Go, Liadens, go!Von Ein KundeAnother great story from the Liadenn Universe.This one continues the story of Miri and Val Con yos'phelium. Stranded one a planet not so unlike our time and circumstances, they have to deal not only with their situation but also with their relationship and deep psychological problems.I recommened this book because I enjoyed the writing, the developing plot and convincing characters very much. I trust other readers will feel the same, wether or not they have been reading other volumes of this series before. However, for those who prefer a chronological order: Agent of Change is the first book about this pair, and so far Local Custom starts the narative with

Anne Davis and Er Thom yos'galan.

Kurzbeschreibung On the run from interplanetary assassins, covert operative Val Con yos'Phelium and former mercenary sergeant Miri Robertson have wound up stranded on a distant planet with no rescue in sight. Until they figure out a way back to Liad, these two lost souls must find a way to trust each another and let their love heal the dark wounds of their past. . . . Back on Liad, Shan yos'Galan, Val Con's cousin and foster brother, and his life-partner, Priscilla Mendoza, have initiated their own search for the missing member of Clan Korval. But what they don't know is that those who seek to destroy Val Con and Miri are just as determined to bring down Clan Korval. All the deadly enemy needs is someone to unwittingly lead them to their target. . . . At the publisher's request, this title is sold without DRM (Digital Rights Management).
