**Von David Eddings : Castle Of Wizardry: Book Four Of The Belgariad (The Belgariad (TW))** before purchasing it in order to gage whether or not it would be worth my time, and all praised Castle Of Wizardry: Book Four Of The Belgariad (The Belgariad (TW)):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich.  
Amusing, but not very goodVon Ein KundeEddings certainly knows how to write an amusing, readable story. He has a fairly good sense of humor, the ability to keep numerous plot threads going without seeming confusing, and characters who are fairly likable.The flaws in his work are more basic. The series suffers from a bad case of "Star Trek Worldbuilding": each country has a single personality. All the Tolnedrans are crazy about money. All the Sendarans are practical. All the Arends are brave and stupid. All the Mimbrates are romantic. With a few exceptions, there is almost no good worldbuilding.The characters, also, are not very good. They seem to have no idea that they are inhabiting a Heroic Fantasy novel. Come on, now: how many of you REALLY think that a ten thousand year old Noble Sorceror would find much attraction in getting drunk?Overall, Edding's stuff is sort of like the old epic "cast of thousands" movies which are fun to watch even if they're not very good simply because they've got huge casts and fancy costumes and lavish scenery. Castle of Wizardry is good for speed-reading on a hot summer day. But don't look to it for depth.0 von 0 Kunden fanden die folgende Rezension hilfreich. Not the top, but goodVon Ein KundeI found this series very good. Not as good, perhaps, as a few other fantasy series I've read, but good nonetheless. David Eddings is a refreshing writer who does not fill up his books with swears and unnecessary sexual and nude scenes like so many other fantasy writers do these days. His books are very funny at times, and some of his characters are really well-developed. Others aren't quite so good, but it doesn't matter so much if you are just reading for entertainment. Like another reviewer said, I wouldn't read these books if you were looking for something deep and very well thought out and put together. But for a more relaxing time, I suggest these books, especially if you don't want any of the junk that they tend to put in books these days.0 von 0 Kunden fanden die folgende Rezension hilfreich. The story great! The characters lovely! Never dull!Von Ein KundeI enjoyed this book, this series, and has become one of my favourites. It is is light or heavy read depending on how much you want to get out of it. His characters have believable personalities, especially the ones who have lived thousands of years. Belgarath and Beldin have enough scepticism and hope in their characters to make them truly lovable. The story itself is full of twist that kept me coming back. The only disappointment was Errand/Eriond, I guessed his fate before the end, but still wasn't to big of a disappointment, it finished so well. Eddings will be hard pressed to duplicate the sucess of this series. I hope he writes more with these characters. Did I detect a bit of sarcasism ? Mr. Eddings Thank you.

KurzbeschreibungBOOK 4 OF THE BELGARIAD, the worldwide bestselling fantasy series by master storyteller David Eddings. Discover the epic story that inspired thousands - from Raymond Feist's The Riftwar Cycle series to George R. R. Martin's A Game of Thrones.Fate gives no choice...Slay or be slain...The Orb is regained, the quest near its end. Garion and his companions have only to reach Riva and return the Orb, to allow peace to reign once more. But fate still has a card to play for Garion. And it is his life that must be gambled...Pressestimmen"A classic coming-of-age epic . . . The Belgariad will always have a place of honor on my bookshelves" (Christopher Paolini)"Fabulous" (Anne McCaffrey)"Fun, exciting, intriguing fantasy in which the characters are as important as the quest and magical elements . . . immerse yourself and enjoy!" (Darren Shan)WerbetextThe fourth title in a magnificent fantasy epic, now reissued in a special new edition for the YA market
