Von Christina Dodd : Castles in the Air: Castles #2 (Medieval) before purchasing it in order to gage whether or not it would be worth my time, and all praised Castles in the Air: Castles #2 (Medieval):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Very GoodVon Ein KundeThis is how a historical hero should be. Raymond was a man who was very sensitive to the

feelings of the heroine. I am so sick of hearing the hero say that he is a warrior and he does not feel love for another woman because it will make him weak. And the heroine was just as great. She was strong, compassionate, considerate, logical but she had flaws just like everyone else. The love story was wonderful. You get to see this couple change and mature together and become stronger with each others support. Read this book! You will not be dissapointed!0 von 0 Kunden fanden die folgende Rezension hilfreich. Captivating and emotional, I couldnt put it down!Von RobinThis was an exceptional book! The charectors came alive and were believable. The dialog was witty and realistic. The hero, Raymond was strong and opinionated but also kind and gentle. The heroine Juliana, was not the typical snotty rich girl or sniveling idiot, she has depth and layers. Both charectors evolved and changed into better people for having met eachother. This was my first Christina Dodd book, I am a very picky romance reader. I cant just pick up any romance and enjoy reading it. It has to have depth and mystery and most of all the people need to pop into life and this book has that. I am on line now to order some more0 von 0 Kunden fanden die folgende Rezension hilfreich. Good average medieval romanceVon natouleSequel to "Candle in the Window" which I much preferred. In this novel, a high knight of the English realm has trouble with the reluctant bride given to him by King Henry. She has had bad experiences with men and would rather avoid marrying again. After a hard time in Arab prisons during the Crusade, he wants peace and a loving family. The perfidy of a sly enemy who covets the Lady's lands brings them together. Not bad as romances go, but somehow not completely convincing.

KurzbeschreibungBound by the King . . .The document, signed and sealed by King Henry himself, commanded lady Juliana of Lofts to marry Raymond, Count of Avrach.Shattered by the Past . . .She refused, though it was treason to defy one's king. What man would have her once he discovered her secret?One Knight Would Crusade for His Lady's HeartYet Raymond would not be denied. And when he came for her, she'd learn that even the strongest will cannot resist the softest touch.Christina Dodd's printable book list sorted by genre/series/in order.
