This book had so many sizzling scenes I thought it would catch fire.Kit Colfax works for an insurance company. She almost always gets her man even if she does have some risqué ways of going about it. Her boss has given her one more chance to redeem herself or she's to be shown the door. Now she's on the trail of a jewel thief. She's tracked him down to Las Vegas and has only one more chance to nab him. She has jewels and a sexy expensive dress.Simon "Beau" Beaulieux is in Las Vegas too. He's there to track down his elusive black sheep cousin Remi. Remi, it seems, has made off with the family jewels. Beau has to catch him before his dying grandmother finds out about the theft.Now, picture, if you will, Kit and Beau meeting over a poker table. Kit mistakenly thinks that Beau is the jewel thief she's after. They are down to just Beau and Kit at the table and Kit makes a reckless bet. She bets her expensive dress. Whoops, she loses!Before it's all said and done, Kit has followed Beau down to San Deigo looking for Remi. She's shot in the arm and now Beau has decided that he has to protect her. Then there's the story of the legend.....This was one of the hottest, sexiest books I've ever read. The sparks between Kit and Beau fairly burn holes in this book. I thoroughly enjoyed this book and look forward to reading many more books from Nina.0 von 0 Kunden fanden die folgende Rezension hilfreich. Besser als ich erwartet habe! Sehr unterhaltsam!Von LenaRibkaDas Buch hat mich positiv berrascht! Tolle Geschichte, tolle Charaktere, tolle Erotik!Beau- charmant, witzig, sexy mit einem Beschützerinstinkt, der jedoch nicht bertrieben ist. Durch seine lssige und aufreizende Art lie er mich in manchen Szenen dahin schmelzen! Die Szene, wo er Kit um einen Kuss bittet, und verspricht ihr, sie dabei nicht zu berhren!..*Oh*Wow, der Mann kennt sich mit der Materie aus!Die Chemie zwischen Kit und Beau war fantastisch!Kit hat mich zwar etwas mit ihren naiven "Ich-kann-mein-" "little insurance investigator" job-nicht-einfach-aufgeben" etwas genervt, aber das Ende war so wie ich es mir wnschte und die Welt war wieder in Ordnung.Ein tolles Buch, super unterhaltsam, easy, leicht und sexy!0 von 0 Kunden fanden die folgende Rezension hilfreich. Well Written Romantic SuspenseVon EBKit Colfax is an insurance investigator on a mission. Her very career hinges on her capturing a jewel thief. What she never counted on was capturing Simon Beaulieux, the chief of police, in her quest. Through a well-written series of twists and turns, Kit finds herself chasing Simon from the twinkling lights of Las Vegas to the sultry bayous of his Louisiana plantation. But Kit's greatest challenge isn't capturing the thief - it's keeping her heart safe from sexy and irresistible Simon Beaulieux. But was Simon telling her the truth - or lying to protect his family?This well written romantic suspense is a page turner that will keep readers on the edge and ready for more from Nina Bruhns.
