My favorite genre is romance, but I also enjoy thrillers, mysteries, some sci-fi, rock n' roll biographies and autobiographies. I'm obsessed with music. OBSESSED. I'm very partial to rock music, but I also enjoy rap, country, classical, oldies and pop. I could go on "Don't Forget The Lyrics" and clean up! My two favorite bands of all time are Fleetwood Mac The Foo Fighters, followed VERY closely by Social Distortion, Alice in Chains, Jerry Cantrell, The Eagles, Blondie, Heart, Tori Amos, Pearl Jam, U2, The Cure, Garbage, The Goo Goo Dolls, Duran Duran, The Beastie Boys, Depeche Mode, Elton John, The Misfits and Metallica. Clearly, I've got eclectic taste. If you got a look at my iTunes library you would die laughing. I live for the GREASE soundtrack and can sing the hell out of any Guns n' Roses song. I'm a total practical joker. I love to laugh. My favorite TV shows and movies tend to be comedies but I absolutely love Twin Peaks, Lost and Dark Shadows. I have a soft spot for eighties music. If I could hang out with any celebrity for one day, I'd choose Dave Grohl from The Foo Fighters. My celebrity crush is (currently) Ian Sommerhalder. I think he's adorable.
